2020-2021 Marshfield 100% Virtual Option

In response to COVID-19, the School District of Marshfield will offer full-time virtual programming as an alternative to in-person and cohort models for the 2020-2021 school year. This option is in addition to those students previously enrolled in Rural Virtual Academy (RVA), the District's virtual partner. Below you will find a link to Family Access to complete a short form indicating your desire for 100% virtual instruction.

If you have previously secured enrollment with RVA, there is no need to complete virtual registration through this process. If you are currently on the waiting list for RVA, we ask you DO complete the School District of Marshfield virtual option enrollment. This will not eliminate you from the RVA waiting list, however, indicates your interest if RVA cannot accommodate the waiting list.

Your promptness to complete the registration is important for planning purposes. Below are virtual options we hope to offer our learners during this time of increased virtual learning.

- Marshfield educators oversee and offer Marshfield curriculum and curricular resources
- Marshfield educators oversee and offer curriculum and curricular resources through *Rural Virtual Academy (RVA) District Connect* using multiple options for courses
- Marshfield educators oversee and offer a hybrid of both Marshfield and *RVA District Connect* courses

We kindly ask you to complete registration no later than Friday, August 7th by logging into [Skyward Family Access](#) and click on "Online Forms" on the left sidebar. Here you will see an option to click on "SDOM 100% Virtual Option" to find a two-step process. Registration will not close, however this plan will give staff time to plan for programming. Once planning proceeds, you will receive correspondence from the School District to potentially provide additional information as well as assist in developing a fit for your family. If you have any issues with Family Access or 100% virtual registration, please contact Erin Anderson at 715-387-1101 X1101 or andersone@marshfieldschools.org.
