Marshfield High School  
1401 E. Becker Road  
Marshfield, WI 54449

Alternative High School  
410 W. McMillan St.  
Marshfield, WI 54449

Dear Parents,

In preparation for student placements for the 2023-24 school year, please review your family information in Skyward Family Access. Once logged in, click on Student Info, then Request Changes on the right side of the screen (see the sample screen view shown below). View each area to verify or update. When submitting a change, be sure to click "Save" at the bottom of each screen after entering updated information. Address changes should not be requested prior to your actual move. If your military status has changed, make those changes under Request Changes, Student Information. The Medication Permission form is in Family Access under Online Forms, if needed.

If you will not be returning to the School District of Marshfield in September, use the Family Access Contact Us tab (upper right corner) to notify us of the city, state, and school where you will be moving or contact your child(ren)'s school office.

If you have moved during the school year or will be moving before the start of the new school year and want your child to remain at the school they are currently attending OR if you are requesting your student attend a school other than their neighborhood school for the upcoming school year, complete the Intradistrict Student Transfer Request found on Family Access under Online Forms. Students approved in prior years do not need to reapply unless there has been a neighborhood school change.

Students currently in 4K will be placed at their neighborhood school to attend kindergarten next school year. The Kindergarten Health and Eye Examination form found in Skyward Family Access under Online Forms should be completed by a physician before school begins. Your child's open house information and teacher placement will be available on Family Access in mid-August.

Current 6th grade students will receive further information from the Marshfield Middle School.

Use Contact Us at the top right of the Family Access Home screen to send us any questions you may have.

Sincerely,

Dr. Ryan Christianson  
Superintendent of Schools
