iPad Setup: iOS 17

POWER ON THE IPAD:

- Press and hold the power button located on the top right of the device, until you see an apple.

SET LANGUAGE AND REGION:

- Press the home button at the bottom center of the device.
- Select "Language" and choose "United States."

APPEARANCE:

- Personalize text and icon size using the slider.
- Tap "Continue" to proceed.

QUICK START:

- Choose "Setup Without Another Device" at the bottom.

CONNECT TO WI-FI:

- Select "MARSHFIELD SCHOOLS" from the list.
- Enter the <u>case-sensitive</u> password "**marshfield**".
- Tap "**Join**" and allow the iPad to configure (*approximately 1-2 minutes*)

REMOTE MANAGEMENT:

- Tap "Enroll this iPad"

10

SIGN IN WITH DISTRICT CREDENTIALS:

- <u>For Students</u>: **Use your full email address** ([OTHER ID#]@my.marshfieldschools.org) and password (Mfld[LUNCH PIN])

- For Staff: Provide your full email address and password.

WAIT FOR CONFIGURATION:

- Allow the iPad to complete the configuration process.

CREATE IPAD PASSCODE:

- Tap "Passcode Options" and select "4-Digit Numeric Code."
- Enter your **lunch code** and verify.

- **Note**: Your passcode is set to your lunch code according to the student handbook. This choice aids in easier troubleshooting and prevents data loss in case of lockouts.

ENABLE LOCATION SERVICES:

- Click "Enable Location Services" when prompted.

SELECT DISPLAY OPTION:

- Choose between Light, Dark, or Auto.
- Click "Continue"

FINAL STEPS:

- Congratulations! Your iPad setup is complete.

To ensure your iPad functions optimally, there are a few additional settings you may need to adjust. Please follow the provided instructions for optimal performance.
