

Health Career Connections

Health Career Connections (HCC) offers unpaid internships designed to familiarize seniors with health careers.

After completing optional courses such as Medical Professionalism, PLTW Biomedical, Anatomy + Physiology, or Medical Terminology get world-of-work experience with area employers.

Health Career Connections Benefits

- Potential internship areas:
 - Chiropractic
 - Blood Center
 - Physical Therapy
 - Dental
 - Eye Care
 - Wellness
 - Long-term Care
 - Patient Care
- Explore health care career options while in high school
- If interested, seek employment as a Nursing Assistant to gain experience + earn money + receive school credit in YA
- After graduation, move straight into the workforce, military, or continue your education
- Give back to the community by contributing to the need for workforce as identified by our community partners
- Receive regular feedback about your performance
- Earn industry-recognized certifications

Looking for Employment?

- Check out the MHS Job Board on the ACP Canvas page
- Connect with Mrs. Fredrick for help with your job search + interview

Participate in Health Career Connections

- 1. Get prepared + apply (Quarter 1 + 2 / Junior Year)**
Juniors, talk with your parent / guardian, then complete / submit the application found in My Apps – Jobready WBL. Enter contact info for your references (2 teachers + 1 community member) + complete the online application. References will receive an email notifying them of your recommendation request.
- 2. Interview with HCC partners (Quarter 3 / Junior Year)**
After your online application is complete, you may be scheduled for an interview with program partners, such as MACCI.
- 3. Register for Nursing Assistant (Junior Year or Senior Year)**
As an HCC student, tuition and books are paid for by the school district; students are responsible for paying for other expenses (Mrs. Fredrick can assist with the course registration process).
- 4. Participate in HCC orientation (Late Spring / Junior Year)**
Attend HCC orientation, making sure you have the information you need to be successful in this course.
- 5. Participate in scheduled rotations during 2 MHS Periods**
MACCI will provide you with a schedule of rotations to learn about a variety of health careers at area health care facilities.
- 6. Complete evaluations of each rotation + receive feedback**
You will have the opportunity to evaluate each rotation and receive feedback about your performance.

For more information, contact your school counselor / Mrs. Fredrick, CTE Teacher, at fredrickj@marshfieldschools.org

The Board does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs including curricular, co-curricular and extra-curricular activities.
