

MISSION STATEMENT

The Marshfield Alternative High School is a learning community that offers three different curricular programs.

These include:

- individualized learning
- small group instruction
- self-paced curriculum.

These programs incorporate various instructional methods creating a flexible learning environment within a structured school community based on student needs. Marshfield Alternative High School is not an alternative to learning. It is an alternative way to learn.

AM Session:

8:00am- 11:00am

PM Session:

12:00pm-3:00pm

Adult Learning Center

4:00pm-7:00pm

Mon-Thurs.

MARSHFIELD ALTERNATIVE HIGH SCHOOL

PROGRAM GOALS

- ✓ Provide a structured and comprehensive education setting
- ✓ Increase core academic competencies
- ✓ Promote responsible student behavior in school and in the community
- ✓ Provide opportunities to practice appropriate communication skills

"Respect me for who I am,
require me to do my best,
give me the help I need to
achieve it."

ADMISSION PROCESS

- Referral for application by administrator, counselor, or parent
- Interview with Marshfield Alternative School staff
- Upon admission, student will take entrance pre-tests
- Upon review of test results and transcripts staff will determine individualized learning plan
- Openings are determined on a case-by-case basis
