

Future Junior 2021-2022 Registration

I. Registration Overview

1. Skyward Registration will be completed during Tiger Time February 22nd - 25th.
2. Review 4 year plan through the Xello Course Planner
 - In your account under "Goals & Plans" -> "Course Planner".
3. Review the [course catalog](#) for required classes, prerequisite information, etc.
4. Discuss choices with teachers, counselors, parents, and/or siblings.
5. Check out the Tiger Course Hunt Video on the [MHS Website](#).
6. Complete the [course planning guide](#) (PDF) and bring with you to Tiger Time on your cohort day Feb 22nd - 25th.
7. Have you earned credit for: Healthy Choices, Fit for Life, and Computer Applications?
8. Have you passed the Civics Exam? If not, [email your counselor](#).
9. Failed a class along the way? Please [email your counselor](#) to learn about options.

II. [Course Planning Guide \(PDF\)](#)

- A. Register for 6.5 credits minimally, 9.0 maximum (not including summer school). Consider the value of a study hall.
- B. Required courses:
 - i. English III: Regular, Honors, AP Language and Composition, AS Oral & Interpersonal Communication, English III Foundations by teacher/counselor recommendation only.
 - ii. Social Science: World Studies R, AP European History, or AP World History. World Studies Foundations by teacher/counselor recommendation only.
 1. SS Electives do not count for year-long credit.
 - iii. Physical Education: 1.5 credits required for graduation. Students who take Aquatics are eligible for lifeguard certification if they pass the skills test (LG605)
 1. PE must be taken over three years, not in the same year.
 2. Summer Strength & Conditioning over 3 summers earns elective credit only
 - iv. Consumer & Personal Finance: Take junior or senior year, or summer school.
 1. AP Economics also counts for this credit
 - v. Science: You need three credits to graduate.
 1. One credit of agriculture classes can be used for science credit.
 2. ES Principles of Engineering counts for 1 credit.
 - vi. Math: You need three credits to graduate.
 1. EM Digital Electronics counts for 1 credit.
- C. World Languages
 - i. If you are planning to attend a four year university, it is recommended that you take at least two years of the same language. UW-Madison requires 3 years.
- D. Early Bird Courses (EB)
 - i. Courses that typically run EB are: AP Economics, Algebra II Honors, Jazz Band, Orchestra/Winds/Percussion
 - ii. These courses only run if enough students sign up for them.
 - iii. If you sign up for a course and it does not run EB, it will be put into your regular schedule unless you see your counselor about dropping it.
- E. Course Name Changes
 - i. See Art Department Changes

F. Co-ops, Internships, and Youth Apprenticeships

- i. Make sure you have completed all required prerequisites and meet GPA minimum.
- ii. One-year youth apprenticeship [applications](#) should be returned to Mrs. Frederick. See Youth Apprenticeship information on page 14 of the course catalog.
- iii. All [applications](#) are due ASAP to Mrs. Frederick
- iv. Attendance is key
- v. Health Career Connections
 1. DC Medical Terminology is a requirement for Health Career Connections.
 2. Interview for HCC during junior year.
 3. Complete CNA course before senior year or during, internships available at businesses such as Bent's Chiropractic, Marshfield Medical Centers, Dental Clinic of MFLD, etc.
- Direct all questions to Mrs. Fredrick, office is attached to room 78 or email fredrickj@marshfieldschools.org

III. Summer School

- A. All SS information is posted on the [Summer School Website](#). Summer School is from June 14th to July 23.
- B. You may only miss five days for any reason.
- C. Registration will be through Student Skyward via the Arena Scheduling Tab and is available on Tuesday, February 18th at 4 pm for current sophomores. Please review the [how-to video](#) posted on the website.
- D. Seats fill on a first-come, first-served basis. See Mrs. Burkhardt in the counselor's office for waitlist information if you do not get a seat at sign up time.
- E. You may only choose 2 classes for summer school. Summer school maximum is 1 credit.
- F. [Summer school class options for future juniors](#)

IV. Things to Remember:

- A. Review the acceptable reasons for schedule changes carefully in the [course catalog](#).
- B. If you sign up for an honors or AP class, you are expected to stay in that class until the first quarter ends (9 weeks).
- C. Please check the prerequisites for all requested courses.
- D. Please register for at least three alternate classes. Typically these are semester electives.
- E. Many elective courses require that you pay a fee to cover your course materials. These fees are listed under the course descriptions in the course catalog.
