## TO THE '20-'21 SCHOOL YEAR

It is an exciting time as we reopen for the 2020-2021 school year. The staff here at MHS is excited to be back in the classroom to give MHS students a warm and overdue welcome back to school.

Likewise, we are certain students are looking forward to seeing their teachers with face-to-face instruction once again. We remain optimistic with a great start to the year, that in time, we will have all students back in our hallways and we can move forward with our traditional schedule and programs.

Trying to navigate the reopen to the 2020-2021 school year has brought many changes and challenges at it relates to daily operations and teaching and learning. We know a lot of information has been provided for you in the weeks leading up to the school's reopening. Again, we thank you for your continuous support and understanding.

Please remember that as we remain under the new operating procedures for daily operations and virtual learning, if you have any questions you should access the Student and Family Resource Packet found on the MHS web site, under the 20-21 Family Resources link. As we navigate through the current school year, we will be certain to direct you to this resource if we need to make any changes to our current operating procedures. We anticipate a wonderful start to the new school year and wish all students a successful year.

Yours in Education,  
Michael J. Nicksic

**CALL  
715-387-8464  
TO REPORT AN ABSENCE**

It benefits all of us to have parents call the high school to report absences of their children. It saves a secretary the time it takes to attempt to contact you, the parent, during the day to inquire about the legitimacy of your child's absence.

The phones at the high school will usually be answered beginning at 7:00-8:40 a.m. Our automated attendant is accessible the remainder of the day. Dial 715-387-8464 and follow the prompts.

If you call in your child's absence or we contact you by phone, you do not have to send a note indicating the reason for the absence. However, if you do not call, or we cannot reach you, your child is marked as "unexcused-absent without reason" for the day until a note is brought in to explain the reason for the absence.

Bring a note from your provider to have absences for medical appointments marked as "Medical" and, therefore, be listed as exempted absences.

# MARSHFIELD SCHOOL DISTRICT NON- DISCRIMINATION POLICY

Parents and students are encouraged to read the full text of the Board of Education policy governing Nondiscrimination 2260 available on the District web site or by contacting the school main office.

The Board of Education is committed to providing an equal educational opportunity for all students in the District. The Board does not discriminate on the basis of sex (including transgender status, change of sex, or gender identity), race, color, national origin, religion, creed, ancestry, marital or parental status, sexual orientation or physical, mental, emotional or learning disability, or any other characteristic protected by Federal or State civil rights laws ("Protected Classes") in any of its student program

.....

## DIRECTORY DATA & CONFIDENTIALITY

Pursuant to Wisconsin state statutes and Marshfield Board of Education policies regarding directory data and confidentiality, please be advised that unless you notify us in writing no later than the first day of school, indicating that you do not wish to have any information concerning your son or daughter released to the public, we will reserve the right to use directory data, including pictures, in school videos, local newspaper articles and other media publications.

# RESTRICTION OF YOUR STUDENT'S RECORDS

Under the No Child Left Behind Education Act, military recruiters have full access to all high school student records. This access can only be restricted if parents write a letter to Marshfield High School stating that they do not want the military to have access to their child's information. Parents interested in restricting access should send this letter to the attention of the child's counselor at the high school as soon as possible as requests for student lists are usually received before school begins.

### Does the School District Carry Medical Insurance?

The answer is NO.

The school district has no medical payments coverage for student injuries or accidents that may occur on school property.

# IPADS

**The district iPad damage deductible will cover all families/students in the event of accidental damage, loss, or theft at the following rates. Note that this applies to damage that occurs in and outside of school.**

- **ONE INCIDENT OF ACCIDENTAL DAMAGE AT NO CHARGE**
- **SECOND INCIDENT OF ACCIDENTAL DAMAGE WITH A \$40 DEDUCTIBLE**
- **ONE INCIDENT OF LOSS WITH \$100 DEDUCTIBLE**

**MORE INFORMATION ON THE PERSONALIZED LEARNING DEVICE 1:1 PROGRAM CAN BE FOUND IN THE MARSHFIELD HIGH SCHOOL STUDENT AND PARENT HANDBOOK PAGES 51-53.**

## CLASS RANK RELEASE FORM

As of 2010 Marshfield High School no longer publicly ranks students. Ranking will only be made available to colleges and scholarship committees upon request of the 18-year-old student (or parent).

Students who rank in the top half of their class should consider releasing their class rank. Please be aware that some colleges require class rank to be considered for certain scholarships.

Visit the websites of your chosen colleges or universities for more information about specific scholarship requirements.

The Release of Class Rank Permission Form is available in the counseling office and on the counseling department website. Class rank can be viewed on your Skyward Family Access site.

.....

In this time of uncertainty, rest assured that the counselors are here for you. If in-person contact opportunities are limited, you can still get counseling department support in any of these ways.

## MONEY FOR POST-

## SECONDARY EDUCATION:

One of the most difficult conversations for most parents to have with their junior or senior concerns the amount of money available for college expenses, but having this talk is critical to the college search and application process.

Students need to have a realistic financial picture in regard to what their parents can and are willing to contribute. The federal and state governments consider paying for post-secondary education as a partnership entered into by the parents, the student and the government.

All seniors and juniors and their parents/guardians are invited to attend our **Financial Aid Night on Tuesday, October 6th at 6:00 pm** in the Auditorium. Any changes to this presentation due to COVID-19 will be communicated to students and parents through Skyward email.

## PSAT/NMSQT:

The PSAT/NMSQT test will be given the morning of October 14 to interested sophomores and juniors. Signup occurred through Google-form at the end of the 2019-2020 school year and there is currently a waitlist due to space constraints.

Payment of \$17 per test will be collected in the fall after school resumes. This is an optional exam that tests students' verbal, mathematical and writing abilities. If taken as a junior, the PSAT is the route of entry to the National Merit Scholarship Program. PSAT results can also be used to help students to select appropriate Advanced Placement courses.

Any changes to this testing plan due to COVID-19 will be communicated to students and parents through Skyward email.

# AP TEST INFORMATION

Students may take an AP Exam in May 2021 to have a chance at earning college credit. As AP students and parents, there are several things you need to know, and a couple of things you must do this fall to be prepared for AP classes and exams. Don't worry - this should take less than 10 minutes!

First, you need to have a College Board Account! For some of you, you already have this. Your same College Board account login is used for PSAT, SAT and AP, so if you have ever created an account for one of these or you created an AP account last school year, you have it done! Please DO NOT create a 2nd account. If you do, it could prevent all your SAT scores or AP scores from going to the correct college. Instructions on how to create a College Board account can be found online at the school district's AP website.

You can create an account or verify that you have an account at [www.collegeboard.org](http://www.collegeboard.org). Here are some helpful hints for setting up your account or verifying the information if you already have an account:

- Make sure it is the student's name that is on the account! I know this sounds obvious, but I know a few parents created accounts in the past to view PSAT scores. You don't want mom or dad's name on your AP or SAT scores when you apply to college.
- The students must have their own email address associated with their account. We recommend not to use your school email address because it may not actually accept emails. If you forget your login, it will send you an email to reset it, so you need to be able to receive the email. This should not be the parent's email address either. If you already have an account, please check this and change it if necessary.
- If you have problems with your account, please contact the College Board at 888-225-5427. High Schools aren't linked to the accounts, so we can't help with login issues.
- Please put your College Board log in somewhere safe and where you can find it easily. This may be in your phone - in the notes or a photo of the username and password. You will use this multiples times in high school, so you'll want to remember it.

**AP Exam Fees** - Each exam is \$95. There will be a minimum down payment of \$40 per exam and is due by October 30. The remaining exam fee balance must be paid in full by March 5. More information will be coming to students in September.

**Late and Cancellation Fees** - AP Exams for year-long courses, AP self-study or AP classes taken only in the first semester are ordered in October, with a change deadline of October 30.

AP Exams for classes that start in 2nd semester will be ordered in February, with a change deadline of March 5. If anyone decides to order an exam after those dates, there is a \$40 fee in addition to the regular exam fee. Should a student not take the exam for any reason after the March 5 date, parents/students are responsible for a \$40 unused/cancellation fee.

Please let me know if you have any questions regarding AP.

Renaë Guldán, AP Coordinator  
[guldan@marshfieldschools.org](mailto:guldan@marshfieldschools.org)

## HAVE YOU CHECKED YOUR AP SCORES?

The College Board reports AP scores exclusively online. Students must log in to their AP account and enter the proper identifying information in order to view their scores.

Students who want to check their scores may do so at:

<https://apscore.collegeboard.org/scores>

Once students are able to view their scores, their score report should list ALL the AP scores they have earned during their high school career. If a score report does not show all the scores, it is likely that there is a problem with the student's identifying information that has prevented all the scores from being consolidated.

Students having account or scoring problems must call 888-225-5427 and select the "0" option to speak with a College Board representative and request a score consolidation.

## HOW MUCH CREDIT WILL YOU RECEIVE FROM A COLLEGE FOR YOUR AP SCORES?

Each college has its own unique policy for accepting AP credits. If you earned AP scores, it is a good strategy to review the AP policies for the colleges you are interested in. These can vary considerably, especially with private schools. The amount of credit you can receive from your AP scores may be an important factor in college selection process.

You can generally find a colleges AP credit policy on each college's website, or you could contact a college's admissions office and request that a copy be mailed to you.

The University of Wisconsin HELP website provides this information for public universities in Wisconsin at:  
<https://uwhelp.wisconsin.edu/prep-for-college/credits/>

Also, College Board website:  
<https://apstudent.collegeboard.org/creditandplacement/se-arch-credit-policies> will allow you to view college AP credit policy information.

Many technical colleges also grant credit for AP test scores. Contact an admissions official at the technical college you are interested in to find out which exams might give you credit. Remember that even if you will not receive credit for your scores, your participation in the rigor of an AP class or classes will help you in the college admissions process.

College success research clearly shows that your participation in an AP class will also improve your chances of success in college. Many students' score lower on their first AP exam, but score higher in the succeeding years as they develop their academic skills.

### NOTICE TO PARENTS OF CHILDREN WHO RECEIVE MEDICATION AT SCHOOL

**It is absolutely necessary that you bring your child's medication and the required permission forms to your child's school office prior to the start of school. For students in grades 7-12, you may drop off medication and paperwork from August 12-14<sup>th</sup> during registration/schedule pick up. For students in elementary school, you may drop off medication and paperwork on the scheduled open house date for your child's school. If you choose to drop off these items on different dates, we suggest you call the school office in advance to be certain the building is open.**

Medications will not be administered until the district nurse has determined that all legal requirements are met for the medication to be given at school. Parents who have not brought medication to school during this time may need to come and give their child his/her medication at school until the district RN is able to insure legal requirements are met.

#### **These are the legal requirements for providing medication at school:**

- **Your child's medication in a properly labeled prescription bottle.**
- **A signed permission form with directions from the prescribing physician.**
- **A signed permission form from the parent or legal guardian.**

A new permission form from the physician and parent is needed at the beginning of each school year.

A copy of the Marshfield School District's Medication Permission and Instruction Form is available in all school offices and on the district website ( [www.marshfieldschools.org](http://www.marshfieldschools.org) ). Please have this form completed by your child's physician.

Please mark this on your calendar. Your cooperation will help us get the school year off to a safe and pleasant start.

.....  
***Parents/guardians are to deliver medications to school. Please count the number of tablets of each medication you bring to school and mark on your calendar when your child will require a refill of medication. This will insure that your child always has an adequate supply of medication available at school. Staff will send the empty bottle home with your child when the medication is gone.***

## Breakfast Program:

The National Breakfast Program is available in ALL schools to each student every morning. You do not have to register your child in advance and you receive the same meal benefit category that you also qualify for in the lunch program. Your child can eat breakfast at school every day or occasionally. The breakfast program provides  $\frac{1}{4}$  of your child's nutritional needs, meets Dietary Guideline recommendations, and offers children a chance to eat breakfast with their friends.

School Breakfast is an ideal solution for those busy mornings when children are running late or parents have to be to work early. Whatever the reason, if breakfast at home is not convenient, please have your child take advantage of breakfast here at school. Research has shown that starting the day with a nutritious breakfast helps students stay alert and perform better in school.

New this year, students that would like a breakfast will receive a grab-and-go bag as they walk into the building or to their classroom. All breakfasts will be consumed in the classroom.

### SCHOOL LUNCH PAYMENTS—CHECK DEPOSITS

Due to the COVID pandemic, we encourage all families, if possible, to deposit lunch money through your Skyward Family Access account.

For those paying by check, all checks will be processed the same day with the district's transmitting system. Please do not advance date your checks. Writing all checks in black or blue ink is greatly appreciated.

## NEGATIVE BALANCE POLICY

For elementary students, no more than **three (3) charges** are allowed per student. If the family cannot be contacted by phone, a letter will be sent. After the 3rd charge, elementary students will be served a sandwich and water until the account is paid in full. The appropriate cost for the sandwich will be added to the family account. Negative balances that are unpaid throughout the year transfer to the next school year.

For middle and high school students, **NO CREDIT** will be extended, and students will **not** be permitted to eat unless adequate funds are available in their account.

### Family Lunch Account

It is preferred that all deposits be made to your account online via your Skyward Family Access. Account transactions and balances can also be tracked using your Skyward Family Access. If you need your username/password, please contact your school office.

**High School students will no longer be allowed to pay with cash on the line. Every student will need to have a positive and active lunch account. For questions, please contact Food Service.**

### Notices via E-mail

The food service department sends home application results and direct certification letters via e-mail.

Any family that needs to update their e-mail address, please contact your school's main office. Those that do not have an e-mail address on file, will continue to receive paper letters.

## Free & Reduced Meals

If you would like to receive reduced meals or are **not** directly certified through the state for free meals, please complete a Free and Reduced application. Please return all completed applications to your school's main office or mail to: Food Service, 1401 E. Becker Road. One application will cover the entire household.

*For your convenience, **Free and Reduced applications can also be completed online.*** To do so, please log into your Skyward Parent Access and click the application process which is located under Food Service. Please contact the school office if you forgot your username or password. Paper copies are also available in all school buildings, the Board of Education Office, and online to print from the school's website.

All free and reduced applications are confidential. Your information will only be used to determine your child's eligibility for the school meal programs. We cannot share your information without your written consent. Students who receive free and reduced price meals are not identified. No other students, staff or teachers need to know who is receiving free or reduced meals.

# Food Service FAQ

## 1. Will there be ala carte at the High School?

*Yes, we are planning on having ala carte available at the high school only. Students will need to place their order at **marshfieldschools.nutrislice.com**. Once the order is submitted, we will have their full order in a bag with their name on it ready for pick up during their lunch period. These bags can be found at the front of the commons, near the main desk. Ala carte area will not be open during lunch hours, only pre-orders will be accepted. Anyone that would like to have ala carte for lunch will need to have their order placed by 10:00am that day. Accounts with insufficient funds will be cancelled. Please call Food Service with any questions 715-387-8464 ext. 4288.*

## 1. Will there be ala carte at the Middle School?

*Unfortunately we are closing Middle School's ala carte at this time.*

## 3. Our family is 100% virtual, can we still get meals?

*Yes, you can still order meals through our online ordering system at **marshfieldschools.nutrislice.com**. All meals will need to be picked up at the designated time. You will have the option to order breakfast and/or lunch for one day or up to the full week. Free and reduced priced meals will be extended to those families that are 100% virtual.*

*Please check the district website for pick up locations and times.*

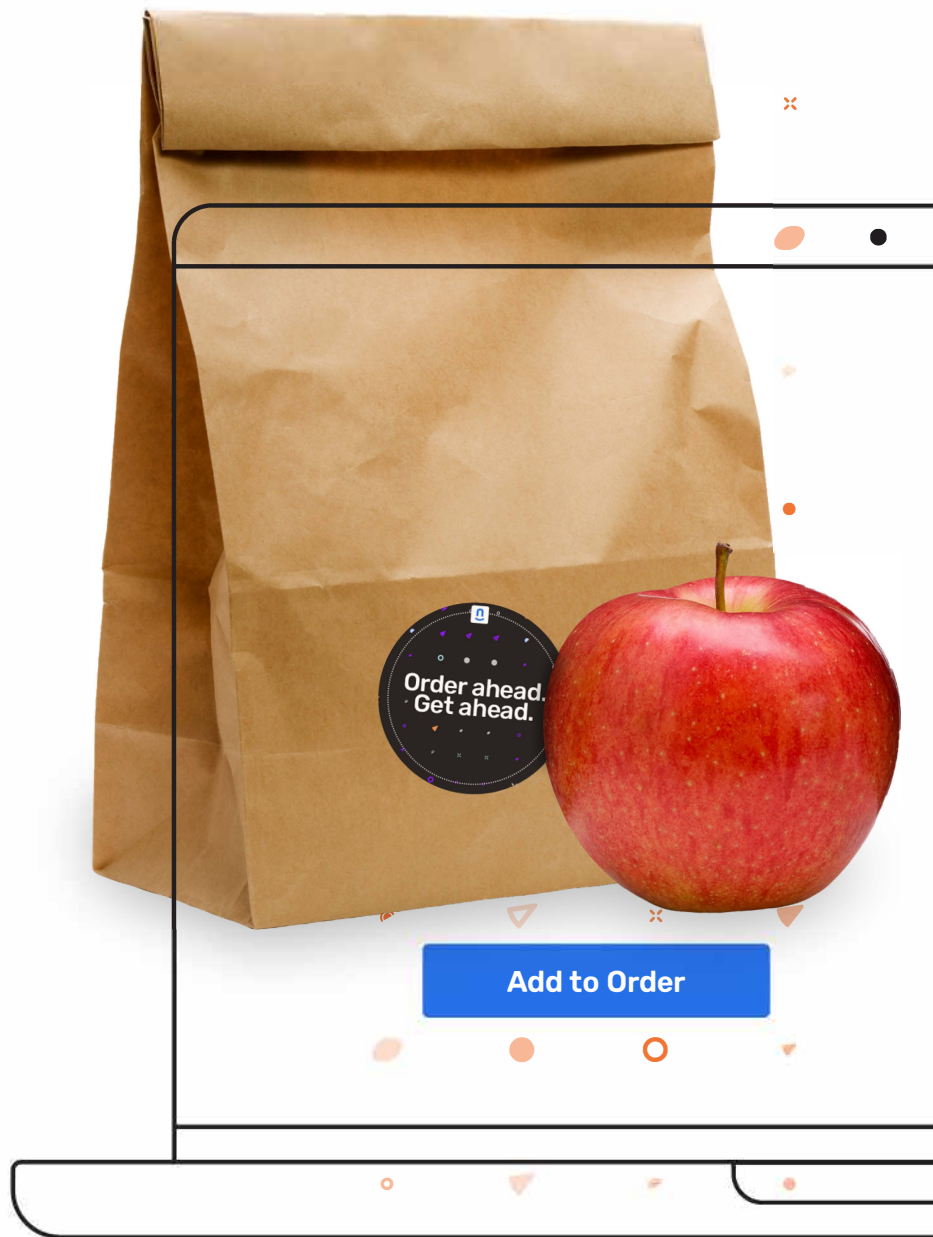

## 4. Last year I was able to pay with cash directly on the lunch line at the High School, may I do that again this year?

*No. All students will need to have a positive lunch account balance. If you have a negative lunch account balance, please make sure payment is submitted prior to lunch starting. Cash payments can be dropped in the payment drop box outside of the main office. Please place it in an envelop with your name on it. High School students will be declined lunch if funds are not available and will be expected to bring a cold lunch. The food service office would prefer that students/families call or email with their account questions, as we would like to eliminate student traffic inside the food service office.*
