**Marshfield
Alternative High
School A program
of the Marshfield
School District**

*“Respect me for who I am,
require me to do my best,
give me the help I need to
achieve it.”*

Program Goals

- Provide a structured and comprehensive educational setting
- Increase core academic competencies
- Promote responsible student behavior in school and in the community
- Provide opportunities to practice appropriate communication skills

Admission Process

- Referral for application by administrator, counselor, or parent
- Marshfield Alternative High School staff reviews packets and sets up interviews
- Upon admission, student will take entrance pre-tests
- Upon review of test results, staff and parents will determine individualized learning plan
- Slots determined by a case-by-case basis

MISSION STATEMENT

The Marshfield Alternative High School is a learning community that offers three different curricular programs. These include individualized learning, small group instruction and self-paced curriculum. These programs incorporate various instructional methods creating a flexible learning environment within a structured school community based on student needs. Marshfield Alternative High School is not an alternative to learning. It is an alternative way to learn.
