As the warm weather begins to arrive, we would like to remind parents and students of the dress code guidelines in the Student Handbook:

- hats, caps, and sunglasses may not be worn inside the school.
- clothing should always completely cover the torso from above chest cleavage to mid-thigh no midriffs showing.
- clothing items such as backless tops, halter-tops, strapless tops and tube tops are not allowed.
- tank tops with at least a 2-inch strap are allowed.
- clothing and personal items that promote intolerance, alcohol, drugs, profanity, sexual conduct or violence will not be allowed on school grounds.
- pants and shorts must be worn on the waistline-no sagging.
- shoes or sturdy sandals must be worn **[No Flip Flops]**.

No Smoking/No Pets

Please remember that there is no smoking on any Marshfield School District property, this includes cars. Our campuses are smoke free. Please refrain from smoking in your cars and on school grounds. There are no pets allowed on school grounds. Please do not bring dogs, cats, etc. to the sidewalk, playground, or in the school building. Thank you for your cooperation with both of these items.

COVID Procedure Reminders

As a reminder, students who are exhibiting any of the Covid-19 symptoms need to stay home. Our isolation room staff will contact you to discuss specific symptoms and situations. As a reminder all school age siblings should stay home if one child is exhibiting symptoms.

Class Quarantines

If your student is quarantined and unable to attend in-person school, virtual learning will be the mode of instructional delivery during the quarantine period. It will be important for students to access their Seesaw (Kindergarten-Grade 4) or Canvas (5th-6th Grade) account daily to retrieve and complete learning activities and assignments being prepared by their teacher. The classroom teacher will be communicating with students regularly throughout this quarantine period. Families are encouraged to reach out to the teacher with any academic related questions. School work provided during the quarantine period is counted toward your student's attendance and grade.

Attendance

School starts at 7:45. If your child will be absent or late please call the school office 715-387-1296 as soon as possible. If your child is not called in, they will receive an unexcused absence. If you arrive to school tardy you will need to sign in at the office. In addition, if you are picking your student up early before the 2:50 dismissal, you will need to sign the child out in the school office as well. Any tardies, absences, or instances your child leaves early will be marked. Thank you for your cooperation with these policies.

ENROLLMENT**

Dear Parents,

In preparation for student placements for 2021-22, please review your family information in Skyward Family Access, Request Changes. Once logged in, click on Student Info, click on Request Changes for the student on the right side of the screen. View each area to verify or update. Be sure to click Save at the bottom of each screen that you would like to submit changes for. District staff will process your request. Please do not request address changes prior to your actual move. If your military status has changed, please make those changes under Request Changes, Student Information.

If you will not be returning to the School District of Marshfield in September, please notify us of the city, state, and school where you will be moving through the Family Access Contact Us tab in the upper right corner or through your school office as soon as you know.

If you have moved during the school year or will be moving before the start of the new school year and want your child to remain at the school they are currently attending OR if you are requesting your student attend a school other than their neighborhood school for the upcoming school year, please complete the Intradistrict Student Transfer Request found on Family Access under Online Forms. Students approved in prior years do not need to reapply unless there has been a neighborhood school change.

Students currently in 4K will be placed at their neighborhood school. Your child's open house information and teacher placement will be available on Family Access in mid-August.

Current 6th grade students will receive further information from the Marshfield Middle School.

Use Contact Us at the top right of the Family Access Home screen to send us any questions you may have.

Sincerely,

The arrival of warmer spring weather means more kids on bikes. To keep your child safe, please keep the following tips in mind:

- *Insist that your child wear a properly fitted helmet every time he or she rides a bike.
- *Teach your child the rules of the road to keep him or her safe while riding on the street. They should know how to use hand signals.
- *Make sure your child's bike is kept in good working order with functioning brakes & inflated tires.
- *Be sure your child can be seen easily. Dress your child in bright colored or reflective clothing. Don't allow your child to ride when it's dark.
- *Only one person should ride on a bike at a time.
- *Headphones or ear buds should not be worn while riding. Your child needs to be able to hear oncoming traffic.
- *Your child should wear closed toe shoes; no flip flops or bare feet.
- *Don't forget to model good bike safety. Wear a helmet & follow rules of the road when biking with your children.

*Enjoy the ride!
