COVID PROCEDURE REMINDERS

As a reminder, students who are exhibiting any of the Covid-19 symptoms need to stay home. Our isolation room staff will contact you to discuss specific symptoms and situations. As a reminder all school age siblings should stay home if one child is exhibiting symptoms.

CLASS QUARANTINES

If your student is quarantined and unable to attend in-person school, virtual learning will be the mode of instructional delivery during the quarantine period. It will be important for students to access their Seesaw (Kindergarten-Grade 4) or Canvas (5th-6th Grade) account daily to retrieve and complete learning activities and assignments being prepared by their teacher. The classroom teacher will be communicating with students regularly throughout this quarantine period. Families are encouraged to reach out to the teacher with any academic related questions. School work provided during the quarantine period is counted toward your student's attendance and grade.

ATTENDANCE

School starts at **7:45**. If your child will be absent or late please call the school office 715.384.8181 as soon as possible. If your child is not called in, they will receive an unexcused absence. If you arrive to school tardy you will need to sign in at the office. In addition, if you are picking your student up early before the **2:50** dismissal, you will need to sign the child out in the school office as well. Any tardies, absences, or instances your child leaves early will be marked. Thank you for your cooperation with these policies.

FROM THE DISTRICT NURSES

The arrival of warmer spring weather means more kids on bikes. To keep your child safe, please keep the following tips in mind.

- *Insist that your child wear a properly fitted helmet every time they ride a bike.
- *Teach your child the rules of the road to keep them safe while riding on the street. They should know how to use hand signals.
- *Make sure your child's bike is kept in good working order with functioning brakes & inflated tires.
- *Be sure your child can be seen easily. Dress your child in bright colored or reflective clothing. Don't allow your child to ride when it's dark.
- *Only one person should ride on a bike at a time.
- *Headphones or ear buds should not be worn while riding. Your child needs to be able to hear oncoming traffic.
- *Your child should wear closed toe shoes; no flip flops or bare feet.
- *Don't forget to model good bike safety. Wear a helmet & follow rules of the road when biking with your children.
- *Enjoy the ride!
