Marshfield, WI 54449

December 2019

From the Desk of Mrs. Scheer

It is that time of year, the holidays are quickly approaching and the pace of life just seems to get faster. We have many fun activities and opportunities for the students here at school and in the community planned. If you plan on assisting in classroom activities remember you need to be an approved volunteer through the school district. I wish you all a happy holiday season and a prosperous new year and remember you can contact me at any time by calling the school or emailing me at scheer@marshfieldschools.org

Thanks!!!

Thank you to all the families who came out for conferences. It was great to see so many of you here in the building! Thank you also to everyone who donated snacks and goodies for the teacher dinner on the conference evenings. We would like to take the opportunity to thank the Madison PTO for the amazing book fair! In addition, their generous donation of books and materials to the school is greatly appreciated by all of our students and teachers.

Madison PTO

A great way to get involved at Madison School is to become part of our parent teacher organization (PTO). We have an active and supportive PTO to which we are truly thankful. Look for our PTO on Facebook or email than at madisonpto510@gmail.com

Hour of Code

Our students are changing the future with an Hour of Code

We live in a world surrounded by technology and we know that whatever field our students choose to go into as adults, their ability to succeed will increasingly depend on understanding how technology works. But only a tiny fraction of us are learning how technology works. Fewer than half of all schools teach computer science. That's why our entire school is joining in on the largest learning event in history: The Hour of Code, during Computer Science Education Week (December 3-9). More than 100 million students worldwide have already tried an Hour of Code.

Our Hour of Code is making a statement that Madison is ready to teach these foundational 21st-century skills. This is a chance to change the future of education in Marshfield!

See <http://hourofcode.com/us> for details, and help spread the word.

Growth Mindset Monthly News

December: We Love a Challenge!

Nurturing Environment + Challenging Work + High Expectations = Growth

This month we will focus on equality (the quality of being equal) versus equity (the quality of being fair). This includes giving each student what he/she needs to succeed and setting high expectations for all students with a focus on personalized learning.

Winter Weather

Winter is just around the corner! In order to make sure that your students are prepared, we would like to remind you of the following information. Students are expected to go outside for recess when the weather is 0 degrees or above, so please make sure that they have boots, jackets, caps, and mittens. Snow pants would also be highly recommended for any outdoor activities. Please remember to label all of your children's belongings and check the lost and found regularly as it fills up seemingly overnight!

School Closings

Radio Stations WDLB (AM 1450) and WOSQ (FM 92.3) will announce any school closings due to inclement weather. Other options for checking on school closings are to go on the school district's website at www.marshfieldschools.org or to watch channels 7 or 9 out of Wausau. The school district will also use an automated text messaging system to send an automated message to families announcing any school closings.

ON DAYS WHEN THE WEATHER BECOMES STORMY AND SCHOOL IS ALREADY IN SESSION, WE ASK THAT YOU NOT CALL THE SCHOOL TO SEE IF THE CHILDREN WILL BE DISMISSED EARLY. Again, we ask that you listen to the radio stations listed above since they will announce any school closings that occur during the school day or check on the websites or TV stations listed above. In the event that school is closed early, it is especially important for working parents to make special arrangements for their children. Please devise a plan of action so that your children know where they should go in case school is closed during the day due to inclement weather.
