Madison Elementary School
510 N. Palmetto Ave.
Marshfield, WI 54449

January 2020

From the Desk of Mrs. Scheer

Welcome back! I hope everyone had a restful break and is ready to get back in the swing of things. The end of the second quarter is quickly approaching. Often at this time of year people set goals and make resolutions, talk to your students and see if anyone has made any new goals this year. Remember you can contact me at any time by calling the school or emailing me at scheer@marshfieldschools.org Happy New Year!

Thanks!!!

Thank you to everyone who came out to all of the Winter concerts. Each program was unique and offered excellent entertainment for our families and friends. Each Winter Program was wonderful and exceeded our expectations. Remember all of our performances will be posted on the Madison Elementary YouTube page.

Madison Happenings & Events

2nd Grade: @f9369a

3rd Grade: @b6k4b4f7

4th Grade: @6de286

5th Grade: @29ab6h

6th Grade: @fc92bag

Madison PTO

A great way to get involved at Madison School is to become part of our parent teacher organization (PTO). We have an active and supportive PTO to which we are truly thankful. Look for our PTO on Facebook or email than at madisonpto510@gmail.com

PTO is looking for a few new board members. Our Secretary and Vice President will be leaving us at the end of the school year. If you are interested in one of these positions, please let Kate Tucker, PTO president, know. me know. If you would like to share the position with another parent, that would work well too.

Winter Weather

Winter is just around the corner! In order to make sure that your students are prepared, we would like to remind you of the following information. Students are expected to go outside for recess when the weather is 0 degrees or above, so please make sure that they have boots, jackets, caps, and mittens. Snow pants would also be highly recommended for any outdoor activities. Please remember to label all of your children's belongings and check the lost and found regularly as it fills up seemingly overnight!

School Closings

Radio Stations WDLB (AM 1450) and WOSQ (FM 92.3) will announce any school closings due to inclement weather. Other options for checking on school closings are to go on the school district's website at www.marshfieldschools.org or to watch channels 7 or 9 out of Wausau. The school district will also use an automated text messaging system to send an automated message to families announcing any school closings.

ON DAYS WHEN THE WEATHER BECOMES STORMY AND SCHOOL IS ALREADY IN SESSION, WE ASK THAT YOU NOT CALL THE SCHOOL TO SEE IF THE CHILDREN WILL BE DISMISSED EARLY. Again, we ask that you listen to the radio stations listed above since they will announce any school closings that occur during the school day or check on the websites or TV stations listed above.

In the event that school is closed early, it is especially important for working parents to make special arrangements for their children. Please devise a plan of action so that your children know where they should go in case school is closed during the day due to inclement weather.

Growth Mindset Monthly News

January: Feedback is a Gift

In January, we will focus on giving process praise, critique, feedback and specific praise versus person praise, critique, feedback or vague praise. “The right kind of feedback and praise can be a powerful motivator for reinforcing the growth mindset and the value of effort and perseverance, but the wrong kind of praise and feedback can send students spiraling into their fixed mindsets (Brock & Hundley, 2016, p. 116)

Person Praise	Process Praise
You're a natural at math.	These problems didn't give you much of a challenge. Let's move on to something that will really stretch your brain!
You're so smart.	I like how you used different strategies to figure out these problems.
You're such a good boy.	I appreciate that you cleaned up the art center without being asked.
What a brilliant artist!	Your effort in learning to paint is apparent in your picture.
You're a born writer.	Your writing shows that you understand the value of word choice.
Person Critique	Process Critique
You really messed this up.	This didn't seem to work out for you. How could you approach this problem differently?
You did your best, but it's just not good enough.	You didn't meet your goal, but what did you learn?
Maybe piano just isn't your thing.	Keep practicing. Every day you get closer to mastering this.
You're such a naughty boy.	You made a bad choice. What will you do differently in the future?
Vague Praise	Specific Praise
You're awesome!	You're putting awesome effort in on this fractions assignment.
Good work!	Good work writing a detailed essay.
Well done!	Well done on your dance recital. I can see that you've practiced a lot.
Great!	Great strategy; that took some creative problem solving.
Person Praise/Feedback	Process Praise/Feedback
I don't understand long division.	You don't understand long division, yet!
Tina is the smartest kid in the class.	Tina did well on this exam. You should ask her how she studied.
This is too hard for me.	Hard is good! It means you're learning.

(Brock & Hundley, 2016)
