## **KNOWLEDGE QUEST IS COMING!**

### **PRINCIPAL'S CORNER**

#### ***Spring - A Beginning and an End!***

Spring typically marks the beginning of warmer weather and refreshing new growth. From the school's perspective, spring is a sign that the end of the school year is near which makes it a perfect time to check in with your child's classroom teacher.

Reflect on conversations you had at parent/teacher conferences earlier this school year. Has your child made improvements where needed? Have they made the academic and social growth you had expected? Does your child's teacher have recommendations for the remainder of this school year, summer time, etc...?

With summer just around the corner it is important to think about your child's preparation for the next school year. Your child's success for the next school year will stem from the efforts you make together with their teacher this year.

### **SEVERE WEATHER AWARENESS WEEK**

Wisconsin Emergency Management and the National Weather Service has designated April 12<sup>th</sup> through April 16<sup>th</sup> as Statewide Tornado and Severe Weather Awareness Week in Wisconsin. The statewide tornado drill will be held on Thursday, April 15<sup>th</sup> beginning with a simulated tornado watch and followed by a simulated warning. Nasonville School will practice the tornado drill on Thursday afternoon as well.

## WARM WEATHER REMINDERS

As the warm weather begins to arrive, we would like to remind parents and students of the following dress code guidelines found in the Parent-Student Handbook:

- hats, caps and sunglasses may not be worn inside the school
- clothing should always completely cover the torso from above chest cleavage to mid-thigh – no midriffs showing
- tank tops with approximately a 2-inch strap will be allowed
- fish net shirts will be allowed provided another shirt is worn underneath
- clothing and personal items which promote or support intolerance, alcohol, drugs, profanity, sexual conduct and violence will not be allowed on school grounds
- pants and shorts must be worn on the waistline, no sagging
- shoes or sturdy sandals must be worn at all times **NO FLIP FLOPS**
- tennis shoes are required for physical education classes.

**NO FLIP FLOPS**

**REMINDER:** Please do not allow your child to wear pajamas to school. This makes it very difficult for them to stay engaged and alert.

**I have also been noticing many students wearing crop tops and short shorts. Be sure your child is appropriately covered in their attire.**

## SUMMER SCHOOL REMINDER

You can register your child(ren) online through [Skyward Family Access](#). Online registration will open **April 13<sup>th</sup>, at 5:00 a.m.!** Classes are filled in the order registrations are received.

The arrival of warmer spring weather means more kids on bikes. To keep your child safe, please keep the following tips in mind:

- \*Insist that your child wear a properly fitted helmet every time he or she rides a bike.
- \*Teach your child the rules of the road to keep him or her safe while riding on the street. They should know how to use hand signals.
- \*Make sure your child's bike is kept in good working order with functioning brakes & inflated tires.
- \*Be sure your child can be seen easily. Dress your child in bright colored or reflective clothing. Don't allow your child to ride when it's dark.
- \*Only one person should ride on a bike at a time.
- \*Headphones or ear buds should not be worn while riding. Your child needs to be able to hear oncoming traffic.
- \*Your child should wear closed toe shoes; no flip flops or bare feet.
- \*Don't forget to model good bike safety. Wear a helmet & follow rules of the road when biking with your children.
- \*Enjoy the ride!
