 Summer Vacation     

PRINCIPAL'S CORNER

*Teacher Appreciation Week is May 3rd-7th.
Teacher Appreciation Day is May 4th.*

You don't have to give an elaborate gift to show appreciation. A homemade card, email or student crafted item can serve the same purpose. It goes back to the old saying, "It's not the size of the gift, but the thought that counts."

Teachers put in countless hours behind the scenes to plan and prepare for your children daily (this is especially true this year with the addition of virtual instruction needs). There is not a weekend that goes by that you won't find staff members working at Nasonville School.

A Little Appreciation Goes a Long Way!

Parents, Thank YOU for your continued support and understanding throughout this school year.

Nasonville School is fortunate to have such wonderful students and families. We look forward to hearing about everyone's summer adventures when we return in the Fall!

DRESS CODE REMINDERS

The following dress code guidelines found in the Parent-Student Handbook:

- hats, caps and sunglasses may not be worn inside the school
- clothing should always completely cover the torso from above chest cleavage to mid-thigh – **no midriffs showing**
- tank tops with approximately a 2-inch strap will be allowed
- fish net shirts will be allowed provided another shirt is worn underneath
- clothing and personal items which promote or support intolerance, alcohol, drugs, profanity, sexual conduct and violence will not be allowed on school grounds
- pants and shorts must be worn on the waistline, no sagging
- shoes or sturdy sandals must be worn at all times **NO FLIP FLOPS**
- tennis shoes are required for physical education classes.

I have also been noticing many students wearing crop tops and short shorts. Be sure your child is appropriately covered in their attire.

Crocs should not be worn on PE days, or please be sure your child has a pair of tennis shoes to wear for physical activity.

School District of Marshfield 2021-2022 Virtual Option

We are beginning to prepare for full (5 days a week) in-person instruction for the 2021-22 school year. In anticipation of continuing to provide a 100% virtual option, it is important to inform you of our plan to offer virtual schooling through Rural Virtual Academy (RVA) for the upcoming school year.

RVA is a well-established virtual solution with the same accreditation and accountability as our local brick and mortar schools. RVA curriculum is designed to serve as a home-based program using a digital platform for organization. Students are expected to learn and attend classes remotely daily as if they were attending school in person.

With learners back in the classrooms on a full-time basis, educators will no longer be available to provide instruction remotely to learners at home, therefore RVA will be the only virtual option for the 21-22 school year.

If you are interested in RVA as a virtual option for next year, please be sure to pre-register your child(ren) as soon as possible. Spaces may be limited after June 1, 2021. Pre-registration does not commit you to virtual programming at this time, however, better secures a spot for enrollment in mid- June.

To learn more and/or pre-register, please [CLICK HERE](#).

For more information, please reach out to Mrs. Ulrich at Nasonville School.

THANK YOU NASONVILLE PTO!
