25-27 **Happy Thanksgiving!**
NO SCHOOL Wed. – Fri.

PRINCIPAL'S CORNER

As we turn the corner into our 2nd quarter, I am so grateful that we are all able to continue with in-person instruction. We have all had to do things differently in order to make that a reality. The students and staff have done a great job of adjusting to our new protocols. Thank you, parents for also doing your part to help maintain in person instruction by keeping home your sick children and quarantining as needed. Thank you for supporting us and your children as we go through all of this together!

Winter Weather Reminders... This is the time for the yearly reminder to students and parents that ***we will be going outside for recess unless the temperature or the wind chill is below zero.*** Therefore, it is imperative that children dress appropriately for the weather. Hats, gloves, boots, snowsuits/pants, winter jackets! All children are expected to go outside for recess. Parents check the forecast and check your student before they leave for school to see they are properly dressed for the weather.

STAY CONNECTED WITH YOUR PTO!

A great way to stay on top of things going on at Nasonville, as well as get information that can help support our PTO, is the Nasonville PTO page on Facebook.

If you are a member of Facebook, just search Nasonville PTO - Marshfield, WI and request to become a member. The PTO administrators will then grant you access to the page and help try and keep you up-to-date with school events and reminders.

Thank you, PTO for the cheese curd snack and fruit drink on October 30th!

School Cancellations?

The School District of Marshfield will again be using WDLB AM 1450 and WOSQ FM 92.3, WSAW Channel 7 and WAOW Channel 9 to announce any school closings. They will also be posted on the district website www.marshfieldschools.org

ON DAYS WHEN THE WEATHER BECOMES STORMY AND SCHOOL IS ALREADY IN SESSION, WE ASK THAT YOU NOT CALL THE SCHOOL TO SEE IF THE CHILDREN WILL BE DISMISSED EARLY. Again, we ask that you listen to the radio stations listed above since they will announce any school closings that occur during the school day or check on the websites or TV stations listed above.

The Skylert phone messaging system will again be used to notify families of any cancellations.

Help is available during these tough times. If you have any questions, please call the school counselor Kimberli Dammann (Nasonville Elementary 715-383-1312 and Washington Elementary 715-387-1238)

Help is Available in our community. If you need basic food/clothing/household items, housing assistance, mental health resources, parenting help, or support with other family struggles, there are resources offered in Marshfield.

Resources and detailed information are at:

- United Way – Call 211 or <https://www.marshfieldareaunderway.org/united-ways-2-1-1>
- Wood County Crisis 715-384-5555
- The School District of Marshfield's webpage (https://www.marshfieldschools.org/CommunityResources_COVID19)
- Contact your student's school counselor for more information on school and community resources

AMERICAN EDUCATION WEEK November 16 – 20, 2020

NEA's American Education Week (AEW) spotlights the importance of providing every child in America with a quality public education from kindergarten through college, and the need for everyone to do his or her part in making public schools great.

Our annual tagline, ***Great Public Schools: A Basic Right and Our Responsibility***, reflects the Association's calling upon America to provide students with quality public schools so that they can grow, prosper, and achieve in the 21st century.

We cannot always build the future for our youth, but we can build our youth for the future.

-Franklin D. Roosevelt

DON'T FORGET...DAYLIGHT SAVINGS ENDS ON NOVEMBER 1ST! *TURN YOUR CLOCKS BACK 1 HOUR.*

FIRE PREVENTION

Students at Nasonville learned about fire safety from the Marshfield Area Fire Department. The students learned the importance of having an exit plan as well as how to exit a house safely in case of a fire. The department did a great job of adjusting to the COVID restrictions and provided our teachers with a video presentation stressing the importance of fire safety!

SCHOOL SAFETY DRILLS

To help ensure students and staff are prepared for any safety issue that may arise during the school day, safety drills are conducted each month throughout the school year.

Safety drills include: • Fire Drills • Hard/Soft Lockdown Drills • Tornado Drill

Parents/Guardians, please be advised that a Hard Lockdown Drill is scheduled to occur during the month of November. Families will be notified (Skyward message) the day of the drill so that parents/guardians are prepared in case their child/children want to talk about the experience or have questions. Families are asked to consider preparing and practicing these types of drills in the home setting as well. Let's all do our part to help prepare and keep our children safe in case an emergency arises.

MY CHILD IS QUARANTINED...NOW WHAT?

If your student is quarantined and unable to attend in-person school, virtual learning will be the mode of instructional delivery during this quarantine period. It will be important for students to access their Seesaw (K-Grade 4) or Canvas (5th -6th Grade) Account daily to retrieve and complete learning activities and assignments being prepared by their teacher. The classroom teacher will be communicating with students regularly throughout this quarantine period. Families are encouraged to reach out to the teacher with any academic related questions. School work provided during the quarantine period is counted toward your student's attendance. Students who do not complete the work will be marked absent.

School District of Marshfield Referendum

The School District of Marshfield is asking taxpayers to support a \$3.5 million recurring referendum to sustain its current programs and offerings. This will be the sixth time the school district has gone to referendum in the past 18 years. Tight budgets, increased operational expenses, and unfunded or underfunded mandates continue to drive the need to seek additional financial support. The school board recognizes these are exceptionally challenging times for families. However, to continue to sustain the academic excellence and opportunities for our students that the community has come to expect, these additional funds are necessary. You can find additional information regarding the purpose for this referendum and what is at stake by accessing the links below, or by viewing the information in this newsletter.

Informational Referendum Flyer: <https://www.marshfieldschools.org/Page/994>

Frequently Asked Questions: <https://www.marshfieldschools.org/Page/995>

Proposed Budget Reduction List: <https://www.marshfieldschools.org/Page/991>

FREE BREAKFAST AND FREE LUNCH OFFERED DAILY

FREE breakfast and lunch are available to **ALL** students each school day. This program has been extended to the end of the school year.

Make mornings easier by having your child(ren) grab a breakfast bag that is filled with delicious and nutritious foods, that are easily consumed in the classroom.

Families that would like to participate and have students not physically in school, including those out due to a quarantine, may order online at:

marshfieldschools.nutrislice.com Meals are to be picked up at the High School in the circle drive between 10:00am to 10:30am. Families can order up to 5 days worth of meals at once.
