PRINCIPAL'S CORNER

THE IMPORTANCE OF HOME & SCHOOL TEAMWORK

Neither parents nor teachers working alone can do everything to help students learn. But when parents and teachers are on the same team, children win every time. Here's how you can contribute to the partnership:

- Establish and enforce firm, fair & consistent rules. Respect for rules at home will translate to respect for learning.
- Support your school's policies for attendance, discipline, homework, etc.
- Come to every school event you can, including parent/teacher conferences.
- Don't talk disrespectfully about the school or the teacher. Make sure your child knows that the teacher is in charge in the classroom and requires respect.

KEEP IN MIND...

-If something "doesn't seem right," **call the teacher.**

-The story you get from your child may not be exactly what happened. It is not unusual for a child to "leave parts out."

-Rarely, if ever, will a teacher not tell a student what or how to do their work.

-Just because a student says they did their work does not mean it is done.
Showing beats telling.

DROP AND GO REMINDER...

The main entrance area is for drop and go only. If you want to get out of your vehicle, park your vehicle in the parking area. Do not leave your vehicle unattended by the main entrance, as this is a fire lane.

PICTURE RETAKES

Picture retakes are scheduled for **October 19th** beginning at 8:30 AM. If you would like to have your child's picture retaken, please return your child's portraits to the classroom teacher with a note indicating you would like to have them retaken.

PLEASE PLAN AHEAD!

The faculty and staff at Nasonville strive to protect instructional time for all students. Please plan ahead. Information regarding after school activities, rides, appointments, etc. should be discussed before students come to school in the morning. **Be sure your child knows their after school plan to avoid anxiety about the end of the day!**

6th Grade Only

6th grade students can register for middle school wrestling and new this year is boys swimming. Please register as soon as possible online at the middle school athletic website if you are interested. Assistance is available for sports related fees. Please contact Mrs. Schalow or Mr. Pahl at the middle school for more information.

WELCOME FRIENDS FROM AFAR!

Our school year is off to a great start!

Nasonville Elementary School is super excited to host 13 students and 2 chaperones from Nanjing Luhe District Bilingual Primary School in Nanjing City, China. The scheduled dates for their visit are Monday, October 1st to Wednesday, October 10th. The objective is for these students to gather knowledge and understanding of both American culture and the American education system. To do this, the students will be shadowing a student “buddy” attending Nasonville Elementary School. They will be attending classes and some scheduled evening activities with their American buddy.

Thank you Mrs. Reil and Mrs. Junco for coordinating the Nasonville Friends from Afar events!

WALK TO SCHOOL DAY

NASONVILLE-October is Walk to School Month!

Please join us to help create safer routes for walking and bicycling and emphasize the importance of increasing physical activity among children.

International Walk to School Day is on Wednesday, October 10, 2018. Nasonville School will join other Marshfield area public and parochial schools in celebrating this event. Nasonville students will do a walk around the school grounds and will be greeted by community volunteers and high school athletes. Walk to School Day is organized by Marshfield Clinic Health System, the Healthy Lifestyles-Marshfield Area Coalition and Noon Rotary.

The Annual Walk/Bike to School Challenge takes place during the month of October. The City of Marshfield, as part of the Safe Routes to School program, will hold a walk/bike to school contest. Students in grades K-6 are encouraged to participate by completing their Physical Activity Calendar. Because of generous donations from Nasonville Dairy, Marshfield Clinic Health System, Draxler Transport, V&H Trucks, Inc., Cavu Landscaping, and Laura Schmitt Photography, students will have the chance to win a gift certificate (2 per school) towards the purchase of a new bike from the Sports Den plus other prizes (helmets and t-shirts). Watch for a flyer coming home with students during September for more information or contact the principal or your child's classroom teacher with questions.
