SCHOOL CLOSING REMINDER

Radio Stations WDLB (AM 1450) and WOSQ (FM 92.3) TV Channels 7 and 9 will announce any school closings. It will also be posted online at www.marshfieldschools.org and a phone message will be sent out.

If school is closed early, it is important for parents to devise a plan of action so that your children know where they should go. We are asking this simply because it is impossible to answer all calls and get messages to students in a timely fashion in the event of an early out. Thank you for understanding. We really need to keep our phone lines free for emergency calls.

Hi Washington School Families,

Below is registration information that I need you to know! I hope you all are having a wonderful start to 2019.

2019-2020 Registration Information

Returning Students Online registration for the 2019- 2020 school year is open January 22 to February 8th for students currently in kindergarten through 5th grade. This registration is conducted through Skyward Family Access. Non-Returning Students If you will not be returning to the School District of Marshfield in September, please notify us of that as soon as you know.

To access registration, go to the district website, www.marshfieldschools.org, click on Families, and then the Skyward icon. A family access login and password are needed. If you do not have your login and password, you can go to the elementary school your child(ren) attend to get one. Identification will be needed in order to receive this information. For more registration information and direction for completion, please see the district website under Schools/Registration/Current Student Elementary Registration.

Current Grade 6 Students

You will be notified via letter by the middle school on registration procedures.

Intra-District Transfer Requests

These are for families who have moved within the School District of Marshfield and want to request a school other than their area school. This request is done through the online registration process.

Kindergarten Registration

This is for children who will be five on or before September 1. Registration will be available for parents through the elementary school office the week of February 18, 2019. Registration forms are available at the school or on our website at www.marshfieldschools.org.

Also, Please SEND CLOTHING FOR OUTDOOR RECESS EVERY DAY EVEN IF YOU THINK IT MIGHT BE INDOOR RECESS.

All students will go outside for recess if the wind-chill is above 0 degrees. Playing outside in the winter can be a lot of fun if you are dry and dressed appropriately!

Thank you so much for your help,
Ms. Southworth

Dear Parents,

Online registration has been replaced with Skyward Family Access (FA), Request Changes. Please log into FA as the Student Info tab now allows you to update and submit changes for district approval at any time. Request Changes helps your information be more accurate and timely. To update information click on Student Info, click on Request Changes for the student on the right side of the screen. Click on all areas you would like to verify or update. Be sure to click Save at the bottom of each screen that you would like to submit changes for. District staff will process your request. Please do not request address changes prior to your actual move. If your military status has changed, please make those changes under Request Changes, Student Information.

If you will not be returning to the School District of Marshfield in September, please notify us of the city, state, and school where you will be moving through the FA Contact Us tab in the upper right corner or through your school office as soon as you know.

If you have moved during the school year or will be moving before the start of the new school year and want your child to remain at the school they are currently attending OR if you are requesting your student attend a school other than their neighborhood school for the upcoming school year, please complete the Intradistrict Student Transfer Request found on FA under Online Forms.

Students currently in 4K will be placed at their neighborhood school. Your child's placement will be confirmed in a summer email which will also include an invitation to attend an open house that will help make a smooth transition to full day kindergarten.

Current 6th grade students will receive further information from the Marshfield Middle School.

Use Contact Us at the top right of the Family Access Home screen to send us any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Christianson". The signature is fluid and cursive, with the first name "Ryan" and last name "Christianson" clearly distinguishable.
