

Hi Washington School Families,

Below is registration information that I need you to know! I hope you all are having a wonderful start to 2021.

2021-2022 Registration Information

Returning Students Online registration for the 2021- 2022 school year is open. Students currently in kindergarten through 5th grade. This registration is conducted through Skyward Family Access.

Non-Returning Students If you will not be returning to the School District of Marshfield in September, please notify us of that as soon as you know.

To access registration, go to the district website, www.marshfieldschools.org, click on Families, and then the Skyward icon. A family access login and password are needed. If you do not have your login and password, you can go to the elementary school your child(ren) attends to get one. Identification will be needed to receive this information. For more registration information and direction for completion, please see the district website under Schools/Registration/Current Student Elementary Registration.

Current Grade 6 Students

You will be notified via letter by the middle school on registration procedures.

Intra-District Transfer Requests

These are for families who have moved within the School District of Marshfield and want to request a school other than their area school. This request is done through the online registration process.

Kindergarten Registration

This is for children who will be five on or before September 1. Registration will be the week of February 1-12, 2021. Registration forms are available on our website at www.marshfieldschools.org.

4K Registration

This is for children who will be four on or before September 1. Registration will be available for parents January 18th – 29th. Registration forms are available on our website at www.marshfieldschools.org.

Additionally, a PBIS Pamphlet was sent home with your student's report card. We thought it would be a great time of the school year to review and share our school expectations.

Also, Please SEND CLOTHING FOR OUTDOOR RECESS EVERY DAY EVEN IF YOU THINK IT MIGHT BE INDOOR RECESS.

All students will go outside for recess if the wind-chill is above 0 degrees. Playing outside in the winter can be a lot of fun if you are dry and dressed appropriately!

Important dates for February! 2/8 Reinforcement students learn from home, 2/15 No School for Students or Staff, 2/26 Reinforcement students learn from home.

**Thank you so much for your help,
Ms. Southworth**

January, 2021

Dear Parents,

In preparation for student placements for 2021-22, please review your family information in Skyward Family Access, Request Changes. Once logged in, click on Student Info, click on Request Changes for the student on the right side of the screen. View each area to verify or update. Be sure to click Save at the bottom of each screen that you would like to submit changes for. District staff will process your request. Please do not request address changes prior to your actual move. If your military status has changed, please make those changes under Request Changes, Student Information.

If you will not be returning to the School District of Marshfield in September, please notify us of the city, state, and school where you will be moving through the Family Access Contact Us tab in the upper right corner or through your school office as soon as you know.

If you have moved during the school year or will be moving before the start of the new school year and want your child to remain at the school they are currently attending OR if you are requesting your student attend a school other than their neighborhood school for the upcoming school year, please complete the Intradistrict Student Transfer Request found on Family Access under Online Forms. Students approved in prior years do not need to reapply unless there has been a neighborhood school change.

Students currently in 4K will be placed at their neighborhood school. Your child's open house information and teacher placement will be available on Family Access in mid-August.

Current 6th grade students will receive further information from the Marshfield Middle School.

Use Contact Us at the top right of the Family Access Home screen to send us any questions you may have.

Sincerely,

A handwritten signature in black ink, appearing to read "Ryan Christianson". The signature is fluid and cursive, with the first name "Ryan" and last name "Christianson" clearly distinguishable.

Dr. Ryan Christianson
Superintendent of Schools

January, 2021

Dear Parents or Guardians of Kindergarten Age Children:

It is time for kindergarten registration. The School District of Marshfield offers full day, every day, kindergarten in all five elementary schools to children who will be five years old on or before September 1. The kindergarten program is designed to provide your child with an opportunity to learn and practice the essential social, emotional problem-solving, and study skills that he or she will use throughout life. It will also develop self-esteem, teach cooperation, and expand your child's ability to learn about the world and the community. Literacy and mathematics standards are embedded into daily routine preparing students for the next level of education.

Kindergarten registration is available online February 1-12 at www.marshfieldschools.org under Schools/Registration/New Student Registration Information.

All registrations should be completed online by Friday, February 12, 2021.

If you are not able to attach your child's birth or baptismal certificate, please bring it in for age verification to Grant, Lincoln, and Washington school office 7:15 a.m. – 3:45 p.m., Madison and Nasonville school office 7:00 a.m. – 3:30 p.m., or at the Board of Education Office 7:30 a.m. – 4:30 p.m. after you have submitted online registration.

Though we realize parents prefer neighborhood schools, there are some situations where assignment may occur at another school to achieve equitable class size. Registering by the deadline will give your student a better chance of attending their neighborhood school. A late registration will decrease chances of assignment in the neighborhood school. Your child's open house information and teacher placement will be available in Skyward Family Access in mid-August.

We look forward to providing a great education for your child!

EMOTIONAL WELL-BEING FOR KIDS

There are plenty of ways to help your child build their emotional health and well-being. Some of them are easier than you think & the entire family can benefit from them!

- * Establish a daily routine. Kids find comfort in structure.
- * Make time for listening - talk to children about their experiences and challenges.
- * Give the gift of responsibility - give kids important jobs they can do at home, at school, and in the community.
- * Create family traditions - like family meals, and seasonal and holiday activities.
- * Encourage responsible use of technology - talk about social media and technology, and create phone-free and other tech-free zones.
- * Make time to play and create - support unstructured playtime.
- * Encourage learning - help them find out who they are and what they enjoy. Explore interests and cultures, take a new class, read a book for fun.
- * Support exercise and nutrition - encourage them to move every day and eat nourishing food.
- * Help them enjoy nature - go for a walk together, watch the sunset, gaze at the stars, listen to the birds.
- * Create healthy sleep routines-set an established bedtime & eliminate electronics one hour before bed.

Parents should not neglect their own wellness. The entire family benefits when parents prioritize their well-being. Here are five tips that can help:

1. Make time for yourself
2. Prioritize healthy choices
3. Be realistic
4. Set boundaries
5. Reconnect with things you enjoy
