

## Administration and Scoring Videos

It is highly recommended that examiners watch these videos prior to administering their aimsweb®Plus measures. While some measures may have the same name or look similar to classic aimsweb measures, there are subtle differences that should be noted.

### **Administration and Scoring of Early Literacy Measures (PreK-1)**

Learn how to administer and score the aimswebPlus Early Literacy measures using digital record forms. Learn details about each of the measures in regards to areas of learning.
