All four- and five-year old kindergarten students residing outside the Marshfield city limits are eligible to receive bus transportation on the regular morning and evening routes. Rural four-year old students are also eligible for midday routes. Any families who have students needing bussing are asked to come to the Marshfield Bus Service to register their children to ride the bus. At this time, information on alternative pick-up or drop-off locations can be given to the bus service. The bus drivers or Marshfield Bus Service will be contacting parents just prior to the opening of school regarding approximate pick-up times. School authorities will write the number of the homebound bus on the identification card, which will be provided at the open house. Please make sure the student has his/her card pinned to his/her clothing for the first week of school. Students who live in the city of Marshfield and desire bus transportation should call Marshfield Bus Service, 387-0101, by August 1 for information regarding fees, times and routes. Parents are requested to call Marshfield Bus Service when a student will be absent from school. Your cooperation in this matter will mean a savings in mileage and fuel costs for the school district.
