Marshfield, WI 54449

Alternative High School
410 W. McMillan St.
Marshfield, WI 54449

Dear Parents or Guardians of Kindergarten Age Children:

It is time for kindergarten registration. The School District of Marshfield offers full day, every day, kindergarten in all five elementary schools to children who will be five years old on or before September 1. The kindergarten program is designed to provide your child with an opportunity to learn and practice the essential social, emotional problem-solving, and study skills that he or she will use throughout life. It will also develop self-esteem, teach cooperation, and expand your child's ability to learn about the world and the community. Literacy and mathematics standards are embedded into daily routine preparing students for the next level of education.

Kindergarten registration is available online February 3-14 at www.marshfieldschools.org under Schools/Registration/New Student Registration Information.

All registrations should be completed online by Friday, February 14, 2020.

If you are not able to attach your child's birth or baptismal certificate, please bring it in for age verification to your elementary school office in the city (Grant, Lincoln, Madison, and Washington) 7:15 a.m. – 3:45 p.m., at Nasonville 7:00 a.m. – 3:30 p.m., or at the Board of Education Office 7:30 a.m. – 4:30 p.m. after you have submitted online registration.

Though we realize parents prefer neighborhood schools, there are some situations where assignment may occur at another school to achieve equitable class size. Registering by the deadline will give your student a better chance of attending their neighborhood school. A late registration will decrease chances of assignment in the neighborhood school. Your child's open house information and teacher placement will be available in Skyward Family Access in mid-August.

We look forward to providing a great education for your child!
