Marshfield, WI 54449

Alternative High School
410 W. McMillan St.
Marshfield, WI 54449

Dear Parents,

In preparation for student placements for 2021-22, please review your family information in Skyward Family Access, Request Changes. Once logged in, click on Student Info and then click on Request Changes for the student on the right side of the screen (see the sample screen view shown below). View each area to verify or update. When you would like to submit a change, be sure to click "Save" at the bottom of each screen after you have entered updated information. Please do not request address changes prior to your actual move. If your military status has changed, please make those changes under Request Changes, Student Information.

If you will not be returning to the School District of Marshfield in September, please use the Family Access Contact Us tab (upper right corner) to notify us of the city, state, and school where you will be moving. You can also notify us by contacting your child(ren)'s school office.

If you have moved during the school year or will be moving before the start of the new school year and want your child to remain at the school they are currently attending OR if you are requesting your student attend a school other than their neighborhood school for the upcoming school year, please complete the Intradistrict Student Transfer Request found on Family Access under Online Forms. Students approved in prior years do not need to reapply unless there has been a neighborhood school change.

Students currently in 4K will be placed at their neighborhood school. Your child's open house information and teacher placement will be available on Family Access in mid-August.

Current 6th grade students will receive further information from the Marshfield Middle School.

Use Contact Us at the top right of the Family Access Home screen to send us any questions you may have.

Sincerely,

Dr. Ryan Christianson
Superintendent of Schools
