June 1, 2016

Welcome to the 2016 All Sports Awards Program! It is our pleasure to host this event to showcase the accomplishments of our MHS Tiger athletes each year! Please join us in the Commons for refreshments after the awards presentations.

Founded in 1981, the Marshfield Tiger Booster Club is a not-for-profit volunteer organization whose mission is to provide support to all athletic programs of Marshfield High School and Marshfield Middle School. We have been actively raising funds through memberships and fundraising events. This year, we are happy to announce that we will award 4 Marshfield Tiger Booster Club Scholarships!

We hope you will consider joining us in our efforts to continue meeting the needs of our coaching staff and athletic programs by participating in our upcoming events; becoming a member; and/or volunteering at any of our many fundraising/athletic events.

Annual Golf Outing - June 24th

4th Annual Booster Bash - September 24th

***Membership form available on the next page.***

## CALLING ALL TIGER FANS!!!!

### MARSHFIELD TIGER BOOSTER CLUB NEEDS YOU!

Since 1981, Marshfield Tiger Booster Club (MTBC) has been supporting our Middle School and High School athletic programs. We need your help to maintain the quality of programs we've come to expect. To learn more about the Booster Club visit our website (listed below).

We need people like you to volunteer their time and enthusiasm! By being a Tiger Booster and volunteering to work at just one sporting event, you CAN make a difference. The more members and volunteers we have the stronger our support for Tiger Athletics.

Please check any events you would be willing to volunteer at. *All interested volunteers will be contacted by email.*

# FALL

**Sport: Boys Cross Country****2015 Season****Head Coach: Dan Akin****Most Valuable Player: Jordan Dzikowich**

Jordan was our number one runner in about half of our meets. He had a great run in October with a number of quality races as well as a medalist at the Medford Invitational. Jordan was our number one man at the Sectional Meet at Standing Rocks. He and Carter battled each other and supported each other as well. Jordan has a wonderful season and ran some great times in the low 18s this year. Jordan is not afraid of hard work, he works hard all the time. He also isn't afraid to have a little fun! We look for continued improvement from this young man.

**Most Improved Player: Jared Oemig**

Jared made remarkable improvements this year and it all started about a year ago, once cross country ended. He worked hard this past winter and made huge gains in track this past spring. Jared was one of our varsity runners and had a very consistent season as our fifth man all season long. Jared improved his times by about two minutes per course over last year's results. Jared is a hard worker who is going to get better and better the next two years.

**Tiger Award: Carter Chojnacki**

Carter was our number one runner in about half of our meets. He started out with a bang as our number one man at our first couple of meets. His times on the various courses we run at were usually top 10 freshman times. He and Jordan battled each other and supported each other as well. Carter was also our number one man at the conference meet and was a medalist at the Medford Invite. The future looks bright for this young runner as he is hungry to get better next season.

## **Sport: Girls Cross Country**

### **2015 Season**

#### **Head Coach: Dan Akin**

#### **Most Valuable Player: Morgan Irish**

Morgan was our number one runner the entire season and was a medalist at a number of meets this season: Marshfield, Stevens Point, Medford, Wisconsin Rapids Invite. She was a Wisconsin Valley All-Conference award winner as well. Morgan also won the Medford Invitational and ran a wonderful race at Black River Country Club. I checked the record book from 2012 and found that Morgan ran her 5K this year about 10 minutes faster than her 9th grade year. Morgan put a lot of time in the gym in the off-season and during the season as well. She also put in a lot of miles on her own. Morgan has a lot to be proud of this season. Morgan's 5000 Meter Time at Sectionals (Standing Rocks) is our 5th best in school history.

#### **Most Improved Player: Molly Schuster**

Molly had an incredible season going from the middle of the JV team last year, to a varsity runner the entire season. She was our third runner on the team at the Marshfield Invitational. Even better was Molly's attitude and work ethic. She made the new girls on the team feel very welcome. Her times were usually two to three minutes better this year over last year. I was so impressed with Molly this season. Molly dedicated herself over the summer in the weight room and added miles to her workout regime.

#### **Tiger Award:**

##### **Dani Bender**

Dani continued her run of successful seasons with another good one this past fall. Dani was a medalist at the Marshfield Invite, Medford Invite and Wisconsin Rapids Invite. She ran her personal best time of her career in the 5000 Meters. Dani always works very hard in practice and her races, she never holds back. Her effort is simply outstanding. Dani was our number two runner all season long. Dani's best 5000 Meter time at Bill Smiley Invite ranks as the 9th fastest time in school history.

## **Sport: Football**

### **2015 Season**

#### **Head Coach: Dennis Goettl**

##### **Most Valuable Player: Nick Hoheisel**

Our most valuable player this year was a man on a mission! After a somewhat disappointing year in 2014 due to injuries and other misfortunes, Nick had something to prove. He had a great offseason and the effort he put in to get better than ever was sure evident in 2015. Nick ran with a “chip” on his shoulder all season. He made plays that most backs could never make. Nick rushed for more than 1700 yards, had 14 touchdowns, and caught 8 passes. Nick kept drives alive. He credited his linemen and those around him for making him better. Great season Nick! Congrats.

##### **Most Improved Player: Braden Bohman**

As the MIP for the Marshfield Tiger football team, Braden Bohman excelled in many different areas. He is an outstanding running back and was a valuable component of a talented backfield. He took advantage of every opportunity he got. In addition to carrying the ball, he also was an outstanding receiver and created many yards after the catch. He also returned kicks and punts with ease and ability. Braden even played in some games as a defensive back late in the year. Again, he filled the role admirably. In short, he was an extremely versatile and valuable part of our football team in 2015.

##### **Tiger Award: Josh Lang**

The Tiger Award is synonymous with effort, hard work and leadership. Tiger Award winners set the standard against which all Marshfield athletes are measured. I can think of no better representation of the Tiger spirit than Josh Lang. Marshfield fans witnessed Josh’s many accomplishments on the field, but his coaches, teammates and friends saw his level of commitment every day. On the practice field, game field or in the weight room, Josh worked himself to exhaustion and then beyond. Sports reveals character, but unfortunately that revelation sometimes comes at a great price. Josh was injured in game 3 of our football season, an injury that ended his athletic career here at Marshfield High School. The injury did not, however, end his participation. Serving as mentor, assistant coach and, as he worked his way through surgery and rehab, an inspiration, Josh continued to contribute to the football team in a manner that few who witnessed will soon forget.

**Season Summary:** The season began with much excitement and anticipation. The previous season didn’t quite end the way Tiger Football seasons have ended in the past and we were out to set it straight once again. The team worked their tails off all summer long in anticipation for the upcoming season. The weight room became the second home for many throughout the summer, and many new coaches found out what exactly went into a summer of training and the time it demands of each of us.

The team also found some time for some fun along with training as a group of players and coaches spent three days in La Crosse at the UW-L Football camp. The camp was a good experience for the guys as we were able to scrimmage against a team from Rockford Illinois. They were a solid team with a D1 recruit at the running back position. We held our own. We came back to town and finished the summer workouts and went into camp with the UW-Stevens Point staff doing the honors of coaching us. Great attendance by the team once again!

The season began with a new tradition and a lot of preparation by some great people. Our team overnight at the school forest for an evening of team building was a huge success. The overall theme was “CARING”. The motto was “Our Mission > Our Ego” became

our battle cry. Each man on our team did what he was supposed to do and encouraged the others to do the same with No Excuses and No Explanations.

We started out the season with wins over old rivals Wausau East and DC Everest. We were playing rather well and then we faced Neenah at Beele Stadium. In that game the things that no team needs happened to the Tigers. We experienced the injury bug. Much to our chagrin we lost the game and two of our players, knee injuries, and that is not to mention the one knee injury we incurred in the preseason to our starting Strong Safety. We then beat Oshkosh West in Oshkosh in a very convincing way playing a solid ball game. We then went on a stretch of losing 4 games in a row to Rapids, Hortonville, Spash, and Oshkosh North. The worst part of the losing the games was also losing players to more injuries during the games. The team did gain a very valuable lesson in how to persevere, and how to battle back no matter what the situation. The last game of the season was Homecoming. The spirits were very high because of the great Homecoming Week that we had at school. We played the 4<sup>th</sup> ranked team in the state, Fond du Lac. I can say that many people probably never gave us a chance in the whole state to beat them. We stayed together and battle tooth and nail all the way to the end. The defense and the offense found themselves and put together a game that I hope nobody will forget. We outscored them 15-0 in the second half. The game came down to a 17 play drive fueled by some great efforts by a lot of athletes. We scored a touchdown with 30 seconds left in the game, and there was no question that we were going for two. The play was drawn in the dirt because we didn't have a name for it so the grass just had to do. Thanks to the offense for being a bunch of hard working and believing kids on the play because I told Huettl to not be alarmed if he was be all alone in the end zone because it turned out we were right and he hauled it in for the touchdown. We then went on to play a "Futures" game with our JV team against Shawano. We played a real solid game and beat those 51-36. It wasn't that close. This was a good experience for our team to see what we have to work on for next season.

## **Sport: Girls Golf**

### **2015-16 Season**

#### **Head Coach: Ashley Lorenzen**

#### **Most Valuable Player: Ana Jensen, Senior**

Ana Jensen is this year's MVP for girls' golf. Ana led the golf team throughout the season and was named 1<sup>st</sup> team all-conference with an average conference match score of 46. Ana's low match score for the season was at the Marshfield home match with a 43. Ana also took 7<sup>th</sup> at the Sparta Invite with a score of 89, and she took 5<sup>th</sup> at the Chippewa Falls Invitational with a season best of 84. Ana had a great senior season and we will miss her on our team.

#### **Most Improved Player: Patty Bloczynski, Senior**

Patty Bloczynski is our most improved player for this year. Patty started the season with a rocky start in the invitational tournaments but throughout the season she continued to improve her swing, focus, and short game. Patty worked hard at practice and this showed on the course. Patty was shooting in the upper 50's at the beginning of the season and ended the season shooting in the low 50's. Patty's average match score for the season was 54.5 with her low score of 52 during the Stanley-Boyd conference match. Patty focused on her swing mechanics and her putting and was very receptive to suggestion from her coach. Patty was a joy to have on the team and we will miss her next year.

#### **Tiger Award: Jordyn Fitzgerald, Senior**

Jordyn Fitzgerald is this year's Tiger Aware winner for girls' golf. Jordyn had a great year, and while not the top conference performer for Marshfield, she was named 2<sup>nd</sup> team all-conference with an average match score of 48. Jordyn also was Marshfield's only representative at girls' sectionals after taking 10<sup>th</sup> with a score of 96 and shot a great 91 at the WIAA girls' sectionals. Jordyn remained a positive member of the golf team the entire year and regardless of her performance in a given match or tournament, was always a delight to be with. Jordyn signed a letter of intent to play golf at UW-Stout in the fall. Jordyn was an integral member of the golf team and will be missed.

#### **Season Summary:**

Marshfield girls had a good season – even though they didn't make it to sectionals as a team. With only a team of 4, Marshfield took 4<sup>th</sup> in the conference with an average team score of 211. Coach Lorenzen is proud of their determination and focus both at practice and on the course. Coach Lorenzen was new to the team this year, and hopes to continue to grow the girl's golf team in coming years. The team is sad to lose 3 seniors, but excited for Roma to return and hopefully more young golfers.

#### **Letter Winners:**

Ana Jensen, Senior

Jordyn Fitzgerald, Senior

Patty Bloczynski, Senior

Roma Shah, Sophomore

## **Sport: Boys Soccer**

### **2015 Season**

#### **Head Coach: Steve McCann**

#### **Most Valuable Player: Mathias Holm**

Mathias played 19/21 games going 11-6-2. Overall made 154 saves in 19 games. GAA was 1.89. Highlight was beating Steven's Point 4-0 when they were undefeated, gaining a shutout against many of his summer club teammates. Mathias was fully prepared for the 2015 season and was highly focused for each game. He made many great saves and was a strong communicator from the back. His steady play as goalkeeper throughout the season made him our team MVP.

#### **Most Improved Player: Ben Simon**

Ben as a first year varsity player worked his way into a starting role and ended up being a dependable, hardworking defensive midfielder. Ben often covered other teams' best forward or midfielder and was relentless in his defensive efforts. Off field and at practice or the weight room, Ben was a tremendous hardworking teammate. He was rewarded with 2<sup>nd</sup> team all-conference award as other coaches also recognized his contributions.

#### **Tiger Award: Leo Steiner**

Leo was a senior captain and core leader on the team. He was central midfielder and had a huge desire for team success. He helped organize off-season team activities (club team formation and captain's practices) and was one of a few players returning with varsity playing experience. He is a multi-talented, mature and coachable athlete, a great student athlete. Leo is deserving of the soccer team's Tiger Award for 2015.

#### **Season Summary**

The Boys Varsity Soccer Squad completed the season as a #1 seed (Division 2) and Regional Champions. We ended our season with a home loss in the sectional semi-final to Pulaski. We had a strong season despite starting 1-4-2. We made a few adjustments and corrections and improved as the season went on. The team gelled with many seniors and juniors but only 6 with any varsity experience. On road games in conference we were undefeated going 7-0-1 and under the lights we were 2-0-1. Off the field, the team participated in successful High School Soccer Camp with 150 young players attending. The team enjoyed pasta parties, lip dub/homecoming parade and other team bonding activities (tournaments, eating out, video sessions, back of the bus mafia). Overall, it was a fun season playing soccer on great fall evenings and afternoons

**Sport: Girls Swim**  
**2015 Season**  
**Head Coach: Mary Holbrook**

**Most Valuable Player: Elizabeth Holbrook**

Elizabeth was one of our stars this year and was by far our top point earner. Her constant dedication was easily recognizable while in the pool. Often times she was the last one in the pool working until everyone was done even if she finished early. As a captain she always was willing to lead the team and show her positivity which made for a smooth transition to being a new coach this year.

**Most Improved Player: Emily Hopperdietzel**

Emily came in as a freshman this year for us. We noticed that although she was very hesitant to swim the 500 her first time, once she swam it she couldn't stop swimming it. Her times steadily dropped throughout the season giving her the best overall dropping percentage in time.

**Tiger Award: April Read**

April is a very dedicated individual. Her attitude and drive to become better is easily seen in and out of the pool. As captain she was a positive and up-beat influence on the whole team always cheering the team on.

**Season Summary:**

This was a good year for the Marshfield Tigers. Though we did not win every meet the program and the girls continued to grow. We had several girls take home medals at conference along with a strong showing at sectionals. We had a young team so we are looking forward to next season to see what they can do.

## **Sport: Girls Tennis**

### **2015 Season**

#### **Head Coach: Tom Duncan**

#### **Most Valuable Player and Tiger Award: Olivia Haessly and Emily Serchen**

Olivia and Emily entered the season with high expectations and the dream of making it to state. Both attended camps during the summer to sharpen their game and confidence. Emily's length and presence at the net, along with Olivia's hustle and shot making, were key components in achieving their goal. Their season had many highlights, which included victories over highly-skilled opponents and finishing 5-1 in the WVC and received 1<sup>st</sup> team WVC honors.

Emily and Olivia's biggest challenge came towards the end of the season, when Emily became very ill and was unable to finish conference play. Fellow senior, Kessa Schreiner, stepped up to the challenge and played with Olivia in the conference tournament. Even though they had very little playing time together, the duo placed third in conference and put up a great fight against conference champs, Stevens Point.

Emily courageously battled through her illness and decided to come back for sub-sectionals. Olivia understood and supported the situation; she knew the importance of the upcoming matches and was up for the challenge. With a solid victory over Wisconsin Rapids, they prepared for their sectional match against a feisty Menomonie team. Unbeknownst to Emily and Olivia, a victory would secure a spot at state. They dismantled Menomonie, 6-2, 6-1 and qualified for a trip to Madison. Emily and Olivia fought a tough Divine Savior squad and fell just short in a well-played, entertaining match.

It was a great honor to coach these seniors. May the values they gained as Marshfield Tigers lead them to gratifying endeavors.

#### **Most Improved Tiger: Ashley Schultz**

Ashley entered the 2015 season, knowing it was going to be a tough road, playing at the #1 singles position. During the off-season, Ashley played in a community league to help prepare her game, mentally and physically. She used every match as a learning experience and understood the importance of a strong work ethic and positive attitude. Ashley finished third in the WVC and received 1<sup>st</sup> team WVC honors; she also achieved a personal best, qualifying for sectionals. Ashley promotes the qualities and values of a Marshfield Tiger and encourages others to do the same. Congratulation Ashley; may this past season propel you towards more rewarding accomplishments.

## Season Summary

Lost to	LaCrosse Central	1-6	
Defeated	DC Everest	6-1	
Lost to	Menomonie	3-4	
Defeated	Wausau West	5-2	
Lost to	Waunakee	0-7	
Lost to	Rhineland	1-6	
Lost to	Sheboygan North	2-5	
Lost to	Stevens Point	0-7	
Lost to	Brookfield Central	0-7	
Lost to	Kenosha Tremper	1-6	
Lost to	Fond du Lac	1-6	
Defeated	New Berlin Eisenhower	4-3	
Lost to	Franklin	1-6	
Defeated	Wisconsin Rapids	4-3	
Defeated	Eau Claire North	4-3	
Lost to	Menomonie	3-4	
Lost to	Eau Claire Memorial	0-7	
Lost to	Hudson	2-5	
Defeated	Merrill	4-3	
Lost to	DC Everest	3-4	
Defeated	Wausau East	4-3	Overall Record: 7-14

Nicole Kivela	Krishna Patel	

**Sport: Volleyball****2015-16 Season****Head Coach: Dawn Sadowska****Most Valuable Player: Anna Ripp**

Anna Ripp, a junior setter and captain, is our 2015 Most Valuable Player. Anna is an outstanding leader, athlete, and teammate. Anna spent this past summer in the weight room preparing herself for this season. She encouraged teammates to attend as well, and she led workouts throughout the season. As the “quarterback” of our team, Anna made a lot of decisions for her team within a match, but she was also one who set the tone for practice with her determination to push this team to be the best it could be. Statistically, Anna was second in the WVC and nineteenth in the state in assists. On the team, Anna was second in service aces and blocks and third in digs proving she was important both offensively and defensively. Anna earned 1<sup>st</sup> Team All-Conference honors and Honorable Mention All-State. Anna also surpassed 1000 assists in her career this season. Congratulations to Anna on a very successful season, and we look forward to having her back on the court in August!

**Most Improved Player: Stephanie Rhodes**

Stephanie Rhodes, a junior outside hitter, is our 2015 Most Improved Player. Stephanie led our team in kills this season and had the best hitting percentage on the team and was our “go to” hitter when we needed a kill. She was second in digs and was a leader in our serve receive. Why is she our Most Improved Player? Stephanie did all of this playing a new position this season. For two seasons, Stephanie led our offense as a middle hitter; this season we needed her on the outside. In addition to attacking from a different position, Stephanie now had to become a defensive player as well as a primary passer in our serve receive. Stephanie finished the season with 262 digs, 349 kills, and a hitting percentage of .287. Stephanie earned 1<sup>st</sup> Team All-WVC Conference honors. We are extremely happy to have Stephanie back again for the 2016 season and look forward to her continued growth, both offensively and defensively, in her new position. Congratulations, Stephanie!

**Tiger Award: Sara Dasler**

Sara Dasler, a senior libero and captain, is our 2015 Tiger Award winner. Sara is this year’s Tiger Award winner because Sara was a huge contributor to our success as a great defensive player and leader. If you know Sara, you know that she is a “go with the flow” type person. Nothing rattles her much, and that’s how she plays volleyball. Sara is one of the best liberos in the area and led her team with 622 digs on the season (more than double anyone else on the team). In fact, this season she surpassed 1000 digs for her career, tallying 1047. Sara was a great on the court leader as she “coached” her teammates both offensively and defensively. She directed our serve receive and verbalized shots open on the court for our hitters. Without Sara’s ability to pass on target and great knowledge of the game, we would have struggled in some of our competitive matches. Sara’s defense earned her 2<sup>nd</sup> Team All-WVC honors this season. Graduating a libero is a lot like having to replace a setter because she touches the ball so often; Sara will be greatly missed. We wish Sara luck as she continues her education at UW-Eau Claire.

**Season Summary:**

Our season began by winning our own tournament which we hadn't won in quite a few seasons. Going 5-0 on the night and beating both Merrill and Wausau Newman was a huge confidence builder for our team. As a coaching staff, we knew that our high expectations for the season were valid and the competitive schedule we had in front of us would prepare us well for post-season. Despite having just beaten Merrill a little more than a week earlier, we lost to Merrill in our opening conference match. One week later, we played DCE at Everest without Anna Ripp and lost our second conference game. From there on, we went undefeated in conference play, taking second in the WVC behind Merrill. We were 18-1 after the loss to Everest in September, earned a number one seed in our sectional, and fought our way to the sectional final against DC Everest on Halloween. But, it was not to be, as DC Everest beat us 3-0. Losing is never easy, but it is even harder when you are one match away from playing in the state tournament. It's important for all of us to remember all the good in the season and not let that one night define the entire season. We lose two very important seniors, Sara Dasler and Jenny Scheppler, but we return a lot of talent and experience and expect to be fighting for a chance to play in the state tournament again in 2016!

**Letter Winners:**

Alexa Aumann  
Maureen Cassidy  
Sara Dasler  
Mercedes DeGrand  
Ema Fehrenbach  
Hannah Meverden  
Jamila Ougayour  
Abby Pritzl  
Stephanie Rhodes

Ema Fehrenbach—2<sup>nd</sup> Team  
Alexa Aumann—Honorable Mention  
Hannah Meverden—Honorable Mention

# WINTER

## **Sport: Boys Basketball**

### **2015-16 Season**

#### **Head Coach: Scott Scheuer**

#### **Most Valuable Player: Adam Fravert**

Adam's season started out slow because of a collar bone injury sustained early in the football season, but he was cleared to play less than 24 hours before our first game. Adam was our captain. He was also our leading scorer at 14 points per game, leading rebounder at 8, and also led our team in blocked shots with 2. Adam was consistently the focus for the opposing teams' defense, and was constantly double and triple teamed. Adam followed an honorable mention all-conference mention last year with first team all-conference recognition this season. Adam will be difficult to replace on both offense and his ability to protect the rim on defense. Adam will be attending UW Oshkosh next fall, and we wish him much success in the classroom and on the court.

#### **Most Improved Player: Grant Michaelis**

Grant came in to the season with zero varsity experience. He was a starter for all 23 games. Grant was third in scoring at 9 points per game, second in rebounds with 5 a game and led our team in field goal percentage at 54%. Grant was an honorable mention all-conference and will be one of our team leaders next season.

#### **Tiger Award: Jon Hardinger**

Jon was our inspirational leader. He was not always on the game floor, but was in every game cheering from the sidelines. Jon never missed a practice, always worked extremely hard and not once showed any displeasure with his minutes. Jon always put the team first as he often displayed a drive and dedication in practice and in the weight room for younger players to model themselves after. Jon enhanced our overall team environment with his ability to stay focused on our team improvement and winning games. I hope our returning varsity players, and younger players in the program, took notice of how to be part of a team without worry about your individual accomplishments like Jon did.

#### **Season Summary**

##### **Overall Record – 14-9 | Conference Record 6-6**

The 2015-16 season began a new era of Marshfield Basketball. Although our inaugural season ended sooner than what we had hoped, with an overtime loss in the regional, we are very proud of our accomplishments; including a stretch during the second half of the season where we were 11-3, demonstrating improvement as the season progressed. We finished the season with a 14-6 record and tied for third in the conference with a 6-6 record. We are excited about next season with two starters returning.

#### **Letter Winners**

Ethan Posteluk	Ethan Voss	Chase Freeck	Grant Michaelis	Nathan McGrath	Jon Hardinger
Trevor Schwecke	Tyson Slaade	Alec Hinson	Isaac Huettl	Adam Fravert	Nick Stewart

#### **Head Manager: Zach McManus**

**Sport: Girls Basketball****2015-16 Season****Overall Record – 23-3****Conference Record 12-0****Head Coach: Heidi Michaelis****Most Valuable Player: McKayla Scheuer**

McKayla had a senior year to remember as she led this team in so many ways. She averaged 14.7 points per game, led the team in assists at 2.5 assists per game, led in steals at 2.5 a game and made 57 threes this year shooting 37% from long range. She was a Unanimous first team All-Conference Player, Channel 7 All Star and Honorable Mention All-State Selection. She was a tremendous leader both on and off the court. She was our point guard and one of the greatest qualities was her ability to be an extension of her head coach. She displayed a coach like leadership on the court no matter if things were going good or bad. This team needed that leadership as this team continued to improve throughout the season playing its best basketball at the end. Kayla had so many memorable games and big shots and even bigger free throws this year in many games but none bigger than the OT win vs. Neenah scoring 10 of her 27 points in the last 2:28 of that game. I will miss Kayla next year as will this team but wish her well as she continues her career at DII Bemidji State. Good Luck Kayla!

**Most Improved Player: Meg Bryan**

From the start of the season to the end of this season I saw Meg improve in so many areas. She averaged 7.5 points per game and 2 assists per game for the season. At the beginning of the year Meg knew that she had to play both ends of the floor and she improved at both the offensive and defensive ends. While she had ups and downs that any sophomore starting guard would have, Meg persevered and was playing her best basketball at the end of the season. I think the biggest thing I saw Meg improve was her ability to move on from missed shots, turnovers and myself getting on her to make some huge shots at the biggest moments during games. In our last tourney game vs. Appleton North Meg had had 17 points, 5 assists and made 5-11 from long range against the best team we faced all year. At times I sometimes forget that Meg is only a sophomore and I look forward to coaching Meg in the next two years and the progress she will make.

**Tiger Award: Ema Fehrenbach**

Ema had a tremendous junior year for us. She led this team in scoring at 16.1 points per game, was second in rebounds at 7.4, and second in assists at 2.1 per game. She was a Unanimous first team All-Conference Player, Channel 7 All Star and Honorable Mention All-State Selection. She was such a consistent scorer for us from day 1 and as the season wore on had to learn to score with more and more double teams. Every team we played tried to stop Ema and she never got frustrated but learned as much as anything how to make her teammates better. She was second in assists from the post position as more and more teams worked to slow her down. The Tiger award is perfect for Ema as she absolutely plays and practices at 100% every day and every game. Her demeanor is the same as she plays all out; with desire and heart. She showed mental toughness in a lot games by never changing the way she played or carried herself no matter if things were going well or not. I was hard on Ema at times and demanded a lot of her and she always rose to the occasion. I look forward to her senior campaign and know she is preparing for that as well. Congrats on a tremendous season Ema!

### **Season Summary**

This season was no different than any other season for me in the respect that I always have high expectations for the team as we enter a season. We had 3 returning starters from last year's team and some returners who had logged good varsity minutes over the course of the year. I think many people thought because of the seniors we graduated last year that we would perhaps struggle. This group bought into the TEAM first attitude not caring at all about anything besides just finding ways to win games. Trust me when I say it was not always pretty and there were some games I don't know how we found ways to win but at the end of the night this team always buckled down and put themselves in the position to win at the end and did just that time and time again. This group made more pressure free throws than any team I have ever coached starting with game 1 vs. a very talented Marathon team. This team scored lots of points, scored few points, made a lot of threes in games, made hardly any threes in games, had many turnovers, had few turnovers, had big leads, lost big leads but in the end won 23 games which was the most in school history and was a top 8 in state team missing a trip to Green Bay barely losing in a very exciting Sectional Final game vs. Appleton North by 2. We won the Wisconsin Valley Conference championship for the first time since 2011 going 12-0 in conference. I can't say I have enjoyed a team any more than I did this year watching them accomplish so much and come together as a group who were genuinely happy for the good that each accomplished. This group got the most out the season and each other and grew as a team on and off the floor. While I was sad to see it end vs. Appleton North I have only good feelings about this year and this group and couldn't have been more proud of them! Congrats to this team for a tremendous year.

## **Sport: Gymnastics**

### **2015-16 Season**

#### **Head Coach: Allie Dryer**

#### **Most Valuable Player: Emma Haugen**

Freshman Emma Haugen was the MVP of this year's Varsity Gymnastics team. Emma had a phenomenal freshman season for the Tigers winning numerous season honors. Emma held the season record for the Tigers on Vault, Floor, and the All-Around. Emma was Great Northern Conference Champion on Floor, and also made GNC honorable mention on Vault. At the sectional competition, Emma had Marshfield's top finish with third place on vault. This finish qualified Emma as an individual competitor to the WIAA state tournament. At state Emma earned her 6th score of 9.0 or better this season.

#### **Most Improved Player: Bailey Schmitt**

This season's Varsity Most Improved goes to sophomore Bailey Schmitt. Bailey upgraded her difficulty on all events throughout the season, and her scores showed drastic growth from the first to the last meet. Bailey contributed to the team most significantly with her substantial improvement on floor this season. At the sectional meet, Bailey had the second highest score for the Tigers with an 8.525. In addition to Floor, Bailey added new skills on bars and beam and topped her season high scores from last year on Floor, Vault, Beam, an All-Around. Bailey also held the season record for the JV team for this year on Floor and the All-Around.

#### **Tiger Award: Megan Smith**

The 2015-2016 Tiger Award went to senior Megan Smith. Megan helped lead the Tigers to their best team showing in over 10 years. Megan is a great leader with endless support for her teammates. She is always cheering for her teammates, and providing words of encouragement for anyone struggling with a new skill. The first competition of the year was an intrasquad competition between members of the varsity team. Although competing against half of her teammates, Megan was genuinely cheering for everyone, regardless of intrasquad team affiliation. Her excellent sportsmanship was evident from this very first competition of the year through the very last. Megan's commitment to her teammates and excellent sportsmanship make her the 2015-2016 Tiger Award winner.

**Season Summary:**

The 2015-2016 MHS Tigers Varsity Gymnastics team had an impressive season. The Tigers peaked at exactly the right moment hitting their season high score of 129.55 at the sectional championships, the highest MHS team score in over a decade. Individual season highlights including a conference champion, and individual qualifier for the WIAA state meet came from freshman Emma Haugen. Senior Megan Smith held the season record on the Bars, sister Macey Smith (sophomore) held the season record on the beam, and freshman Emma Haugen held the title on the vault, floor, and all-around.

**Letter Winners:**

Megan Smith

Traci Fuehrer

Ciera Neufeld

Isabelle Jensen

Macey Smith

Bailey Schmitt

Makenna Gramza

Emma Haugen

Brooke McGrath

Melanie Hafenbredl

Ally Bakke

Merrissa Immerfall

## **Sport: Boys Hockey**

### **2015-16 Season**

#### **Head Coach: Eric Bowman**

#### **Most Valuable Player: Isaac Wellens**

Isaac was a player who not only provided goals when we needed them, but was also a player who had an infectious positive attitude. He worked hard not only every time he was on the ice for a game, but also throughout practice as he improved as a hockey player and a team leader throughout the season. The coaching staff looks forward to watching this freshman player continue to grow as an important player on our team moving forward.

#### **Most Improved Player: Isaiah Baierl**

Isaiah is a young player who was relied on a great deal this season. As a freshman, we asked him to elevate his game. Every game, Isaiah was asked to keep the opponents top players off of the scoreboard. As the season progressed, Isaiah developed into a player the coaching staff trusted against junior and senior players on some of the best teams in the state. He never gives up on a play, and will be an important building block in the future of the hockey program.

#### **Tiger Award: Justin Twardowski**

Justin was a senior this season, and he had a positive influence on the team throughout his career as a Tiger Hockey player. He has the kind of mindset that will allow him to be very successful in the future. Justin would be supportive in a tough game and keep the team moving forward with his well-timed cheers throughout the game. In the games that went well, he would provide the team with a spark with a big hit or a play that we just did not expect. His demeanor will always serve him well, and no player deserves this award this season than JT2.

#### **Season Summary:**

Tiger Boys Hockey had a very young team this season. We finished with a 6-16-1 record. We generally started 4 to 5 freshman every night, and they competed against every team they faced. We lost some close games, and as the team continues to grow and mature, we feel we will be highly competitive throughout the following years. We did have some great moments, playing some of the top teams in the state and competing with them in most of those games. We do have some work to continue to grow, but the coaching staff firmly believes we will have a very competitive hockey team next season and there is no limit on the potential of our young team. We look forward to next season and the challenges it will bring.

#### **Letter Winners:**

Hunter Gwynn	Logan Cerney	Isaac Wellens	Scott Berg
Blaine Neinast	Justin Twardowski	Adam Maki	Zackary Schmidt
Klaus Friedli	Collin Barth	Ben Baur	Angus Bump
Jon Wittman	Dalton Halvorsen	Justin Stanek	Haydon Roy-Peterson

## **Sport: Boys Swimming**

### **2015-16 Season**

#### **Head Coach: Jason Karrels**

#### **Most Valuable Player: Brian Engel**

Brian Engel has given us a strong showing this year as a senior. He consistently swam at the top of his game and was always willing to step up and be a leader. Consistently performing well in every meet and invite Brian was our top scorer overall for the year getting top finishes in his strong events, the 100 free and 100 back. Brian also worked his heart out in his relays always pulling his weight and getting his relays off to a great start. He was second team all-conference for two of his relays at conference and honorable mention for his 100 freestyle helping to bring the Tigers to their top finish in conference in the last decade. His dedication to the sport will be missed in the years to come.

#### **Most Improved Player: Jacob Dick and Gabe Ronan**

Gabe and Jacob both came in this year new to the high school team; Jacob being a freshman and Gabe being a first year senior. Both boys showed dedication to the sport throughout the year slowly improving and eventually earning better times than some of their veteran teammates. Jacob drastically dropped his times in the 200IM and 100 breaststroke making his way to the sectional meet where Gabe started the year getting disqualified in one of his events to eventually becoming a great freestyler going to compete at the section meet during his first year on the team. Both boys did a fantastic job this year. Gabe will be missed on the team and we look forward to see what Jacob can do in the coming years.

#### **Tiger Award: Michael Kruse**

Michael embodied the team spirit within him this year. Whether cheering his team on or working on his own skills Michael was truly someone that the team could look to for guidance. Michael's passions also extended into the classroom where he has become an AP Scholar. Michael's cool head and warming personality were always a pleasure to see every day on the team and he will truly be missed as one of the great swimmer that Marshfield has had.

**Season Summary:**

This was a year of change for Marshfield Boy's Swimming. With a new coach there is always hesitation and resistance from veteran swimmers. We started the year off with a victory at D. C. Everest which showed the team that they could do well. From that victory the team took off. Though we did not win every meet the team enjoyed themselves and surprised themselves with victories against teams that previously would take the dual meet. We had times drop extremely quickly and leveled off to times that were faster than sectional times from last year. The biggest accomplishment that we had was at the conference meet where we had two relays take second place and numerous other swimmers place which took us to the best finish that the team has had for a while. Although sectionals was rough for us, the team spirit never faltered and the team always stood up for each other and bonded any time they could.

**Letter Winners:**

Brian Engel

Michael Kruse

Gabe Ronan

Colin Thomasgard

Cal Wojt

Zach Hanson

Anthony Hartwig

Erik Tollefson

Alec Brenner

Ben Donahue

Scott Thompson

Jacob Dick

## **Sport: Wrestling**

### **2015-16 Season**

#### **Head Coach: Jackson Hein**

#### **Most Valuable Player: Nolan Hertel**

Nolan wrestled on the varsity squad this year, competing at 138 pounds. He finished the season with a 34-13 record and earned his first trip down to the W.I.A.A state individual wrestling tournament. He recorded 11 pins, 4 major decisions, 1 tech fall and earned 78 takedowns throughout his stellar season. Nolan finished 5-1 in the conference for dual meet competition and placed 2<sup>nd</sup> at the WVC tournament.

#### **Most Improved Player: Tanner Kanable**

Tanner wrestled on the varsity squad this year competing at 113 and 106 pounds. He finished the 2015-16 season with a 26-15 record. Many of his dominating wins came later in the year, as he was one match away from being a state qualifier. His work ethic and focus during practice allowed him to continue to make big improvements throughout the season. Tanner posted a 5-1 conference record and placed 2<sup>nd</sup> at the WVC tournament.

#### **Tiger Award: Josh Lang**

Josh was a 2014-15 returning state place winner. Placing 4<sup>th</sup> at state at the 195 pound weight class, Josh came in the preseason ranked #2 in the state. However, due to a knee injury during the fall sports season, he was unable to compete his senior year. Regardless, Josh had perfect attendance at practice and tournaments during the season. His teammates looked up to him for guidance and support, which Josh provided wholeheartedly. At tournaments he was always coaching his teammates on, and never missed an opportunity to make his teammates better. Off the mat, Josh led the team with a 4.3 GPA in the classroom. He was a great asset to the Tiger wrestling program and will be sorely missed. Josh demonstrated what a true tiger is, although he didn't compete, he showed his stripes by battling through adversity and representing Marshfield in a great way.

#### **Season Summary:**

Marshfield wrestling finished with a record of 3-3 in the conference for dual meet competition. Huge improvements were made throughout the season for the entire team. The future is bright for the wrestling team, which will be returning all but one varsity wrestler for next season.

#### **Letter Winners:**

**Freshman:** Tanner Kanable, Caden Dennee, Kevin Cassidy, Caden Pearce, Nolan Hertel, Bentley Schwanebeck-Ostermann, Sam Mitchell. **Sophomores:** Payton Young **Juniors:** Anthony Kanable, Conner Peterson, Sam Bauman **Seniors:** Kyle Krizan, Josh Lang

# SPRING

## **Sport: Baseball**

### **2015-16 Season**

#### **Head Coach: Shane Freitag**

#### **Most Valuable Player: Paul Maguire**

- Paul is a versatile player and used as an outfielder and catcher. He has been one of the most consistent hitters all season. Paul has a great work-ethic in his approach to baseball and always a team player.
- Average .420, 23 singles, 6 doubles.

#### **Most Improved Player: Logan Jakobi**

- Was not a starter early in the season and worked very hard at practice. When he got an opportunity to play, he took advantage of it by hitting the ball and playing solid defense. Now he has earned a starting position late in the season.

#### **Tiger Award: Trevor Schwecke**

- Trevor is the leader on the team. Willing to do extra work before or after practice. Trevor pushes his teammates to be and play better on and off the field. Throughout the season he has been the core of the line-up and loves the game of baseball.
- Batting average .417 going into last regular season game. 19 singles, 10 doubles, 1 triple.

#### **Season Summary:**

- Early in the season was a learning curve for players and coaches being my first year. As the season went on team chemistry was great and we started playing more consistently as a team. Played well against good competition which should how well we could be....As a team there were ups and downs. Now towards the end of the season we are playing some our best ball going into the playoffs.
- Played three teams ranked in the top 20 in State, Middleton (6th), Stevens Point (7<sup>th</sup>), and Wausau West (20<sup>th</sup>). Though we may not have won many (1) we played against the best and competed very well. That to me shows they have what it takes as a team in taking the next step in becoming WVC champions

#### **Letter Winners:**

Trevor Schwecke	Mason Metz	Braden Bohman	Logan Jakobi	Conner Jasurda
Scotty Berg	Jeremy Brost	Jake Brueggen	Hunter Korger	Austin Goode
Tyson Slade	Paul Maguire	Jared Klein	Mike Damrau	

**Sport: Boys Golf**  
**2016 Season**  
**Head Coach: Paul Foegen**

**Most Valuable Player: Derek Michalski**

Derek is our most valuable player for the second year in a row as a junior. He is very passionate golfer and student of the game. He had our lowest stroke average for the year improving by almost two strokes from last year . Derek ended 6<sup>th</sup> in the conference individual standings earning second team all-conference. He won medalist honors at the Marshfield invite shooting 74. He also placed 3<sup>rd</sup> at the Sparta invite and 10<sup>th</sup> at the Nekossa invite. Derek works very hard on his game spending countless hours on the practice range. I expect great things out of Derek next year as a senior.

**Most Improved Player: Joe Kirschnik**

Joe was our most improved golfer from last year to this year as a junior. Joe worked very hard over the summer to become a varsity golfer this year. He improved by nearly 10 strokes per round over this sophomore years scores. Joe was very good at controlling his emotions on the golf course which isn't always easy to do. I always knew I would get his best effort on the course. He placed in the top 15 in three of our conference meets earning all-conference points and finished 17 overall. With another good summer I expect him to show great improvement again next year.

**Tiger Award: Brendan Schneider**

Brendan is our Tiger award winner this year as he set a great example for our team both on and off the course. He worked very hard on his game between his sophomore and junior years to become one of the top golfers. He spent countless hours on the golf course over the summer and on the golf simulator over the winter to become one of our most improved golfers. His work ethic rubbed off on the rest of the team. Brendan is also a great student and will be name academic all-state this year. His season highlight was shooting a round of 83 at Greenwood Hills. He is a great competitor and works very hard on his game if he learns to relax on the course I expect his scores to improve greatly next year.

**Season Summary**

This years varsity team consisted five Juniors with three being new varsity players. Our inexperience showed at times as we finished 4<sup>th</sup> in the conference standings. This was probably the hardest working team I have ever had the pleasure to work with. They spent countless hours on the range and the course. I know I always got their best effort on the course. I am looking forward to us compete at a high level next year as we return all five of our players.

**Letter Winners:**

Derek Michalski

Grant Michaelis

Zach Hanson

Joe Kirschnik

Brendan Schneider

**Sport: Girls Soccer**  
**2015-16 Season**  
**Head Coach: Steve Lindner**

**Most Valuable Player: Julia Urban**

Voted MVP by her peers on the team. Julia always responded in the toughest games playing her best. She was a 4 year varsity player. Could have had an even nicer senior season if injuries had not hampered her year.

**Most Improved Player: Kate Herron**

Kate came back out for soccer her senior year, after playing a freshman as 1 of the goalies. She showed huge improvements in goal as well as on the field. She was very competitive and each day pushed herself to excel on the field. She improved enough to gain significant minutes on the field as a midfielder. In goal she excelled as her quickness provided a huge boost to her skill set.

**Tiger Award: Olivia Haessly**

Olivia was a true Tiger Award winner for girls' soccer. She not only led on the field but off the field as well. Once the season started she brought the team together as 1 of the captains. She constantly made each and every teammate feel welcome and reassured all players they were important piece to the team and part of something special. Olivia was the glue who kept the team together and constantly was encouraging her teammates to pull their full potential out.

**Season Summary:**

Record 5-16-1 overall and 1-10-1 in conference action.

Won 2 games in the Rhinelander tournament.

5 new Varsity players with in 2016.

2015 All conference players which was released after last season's banquet were:

- Julia Urban - 1st Team All-Conference
- Emily Critelli - 2nd Team All-Conference
- Patty Bloczynski – Honorable Mention All-Conference.

**Letter Winners:**

Andrea Carolfi	Wendy Rodriguez	Makenna Hart	Nicole Simon	Julia Urban
Mikayla Scheuer	Maureen Cassidy	Ciera Neufeld	Patty Bloczynski	Megan Wipfli
Mickayla Brown	Maddie Haessly	Olivia Haessly	Mardi Dietz	Kate Herron
Emily Critelli	Elizabeth Holbrook	Alexis Langteau	Gracia Sandock	Kendra Tremelling
Francesca Tyler				

**Sport: Softball****2015-16 Season****Head Coach: Daniel Costa****Most Valuable Player: Megan Donahue**

After an outstanding freshman year, Megan Donahue followed it up with an even more impressive sophomore year. Megan hit .459 with 12 home runs and 42 runs batted in, she hit .488 with runners in scoring position. Megan was 10-7 on the mound, had a 4.59 era and 253 strikeouts in 121 innings. Megan is one of the hardest workers that I have been around and it has been a pleasure to coach Megan in her sophomore year. I saw tremendous growth as a player and person this year from Megan and look forward to seeing what her junior and senior years hold for her. I am pleased to announce Megan Donahue as Marshfield Softball's Most Valuable player.

**Most Improved Player: Lexi Dupee**

After a junior year that saw a drop in Lexi Dupee's overall performance, it was obvious that she was saving the best for last. Lexi hit .429 with 7 home runs and 20 runs batted in. Lexi was solid in the field as well locking down 3<sup>rd</sup> base committing only 2 errors all year. Even though the year started slow for Lexi she finished it off with bang, over the second half of the season Lexi raised her batting average 150 points and strung together 6 home runs in a two week period, time and again coming up with clutch hits all year. It was an honor and a pleasure to coach Lexi in her senior year and know that she will continue to be a force on and off the field at the University of River Falls. I am pleased to announce Lexi DuPee comeback player of the year.

**Tiger Award: Emily Draeger**

I cannot speak long enough tonight to express how I feel about Emily Draeger. Emily never stops working at her craft, every day she comes to practice with a great attitude and an outstanding effort. Emily leads by example through her work ethic and cannot think of a player more deserving of the Tiger award. Emily led the team in Batting average at .489, hit 2 home runs and had 15 runs batted in this year, she also hit 6 triples. It has been a pleasure to coach Emily in her sophomore year and I am excited to see Emily grow as a person and player over the next two years. I am pleased to announce Emily Draeger for Marshfield Softball's Tiger award.

### **Season Summary**

The 2016 Marshfield softball campaign started off the year with a big decline in overall numbers for the program, with the Varsity team playing with only 9 or 10 players the entire year. The first half of the season was spent mostly trying to determine a line-up that would give us the best chance to win games. After adjusting the line-up 3 to 4 times and after shuffling the kids all around we were at .500 half-way through the season. After finally deciding on a line-up and allowing the players to learn and become comfortable with the positions they were asked to play I began to see things coming together. I would constantly remind them that "I did not care what our record was or how we started the season, I only cared about how we were playing heading into the Playoff's and to stay true to what we were doing" I finally saw the team I had been waiting to see at the Escanaba tournament, I saw a team that was genuinely getting along and playing for each other rather than 9 individuals seeking personal glory. At that point I knew we would be a tough team come playoffs. We finished the year in 4<sup>th</sup> place with a 7-5 record in conference and a 15-12 overall record. We have won 2 playoff games and a regional championship, with our Varsity team only losing one senior the sky is the limit for this team going forward.

Rhiannon Corozolla  
Melissa Roberts  
Carly Brickley  
Madeline Mews  
Alyssa Ede  
Morgan Nordbeck  
Megan Donahue  
Emily Draeger  
Kaitlyn Konrardy  
Jenna Jakobi  
Jasmine Fredrick  
Lexi Dupee

## **Boys Tennis**

### **2016 Season**

**Head Coach: Tom Duncan**

#### **Most Valuable Player Award and Tiger Award: Derek Reckner and Evan Fait**

Courage, determination and adaptability are the main qualities Evan and Derek possess. When the season began, these individuals stepped into a team setting for the very first time. The mature response and support from their fellow tigers, along with Derek and Evan's courage, helped make the transition comfortable for everyone. Their determination and strong work ethic spread like an epidemic throughout the team. Fellow tigers followed their lead and encouraged others to do the same.

Midway through the season, the Tiger "family" supported a new direction with the tennis program. Evan and Derek took on the roll as the #1 doubles team and the Tiger program soared to new heights. Many individuals "stepped up" and claimed their stake as a Marshfield Tiger. Derek and Evan were overwhelmed from all the support their fellow tigers presented.

Evan and Derek finished their regular season record with a 14-3 mark. The duo finished second in the WVC and earned a ticket to the WIAA State Tournament with a victory over Menomonie at Sectionals. Congratulations Evan and Derek on a terrific season.

#### **Most Improved Player: Luke Kaiser**

During the winter months, Luke, along with several of his fellow tigers, attended hitting clinics to get a jump-start towards the upcoming season.

As a sophomore, Luke had no experience at the varsity level, but his determination and positive attitude were things I admired. I will never forget the words Luke said to me during the Tigers second practice of the season. "Coach Duncan, I will do anything to help the team this year." I took him up on his offer; Luke would hit with singles players one day and doubles players the next. He was so coachable and his energy level was one of a kind. Then an opportunity arose for Luke; due to an unfortunate illness, a fellow tiger was forced to retire the remainder of the season. Luke was up for the challenge and embraced the moment. He would play #3 doubles with senior tiger, Isaac Houk and the rest is history. The duo finished with a 17-6 record, claimed the championship in the WVC, took first at the Appleton West Invitational and were Sectional qualifiers.

Congratulations Luke on a tremendous season.

## **Season Summary**

**Tigers Finished 11-5 in dual match play.**

**Second Place in the WVC -62 Points**

### **Spash Invitational Medal Winners:**

#3 Singles: John Weisenberger –Consolation Champ

#2 Doubles: Jared Draxler/Ayush Shukla –Tournament Champs

Craig Paulman	Evan Fait	Derek Reckner
Jared Draxler	Ayush Shukla	Isaac Houk
Luke Kaiser	John Fay	Will Fay
Eric Myklejord		

**Sport: Boys' Track and Field****2015-16 Season****Head Coach: Randy Hartwig****Most Valuable Player: Calden Wojt**

Calden Wojt is an All-Conference Champion in the 200 m and 400 m dash, set or tied 2 school records and is 2 year qualifier for the State meet. I have had the great privilege of coaching him since he was in 7<sup>th</sup> grade Track. A solid competitor in middle school, Calden came into his own as a sophomore and became dominant sprinter this spring. Seemingly too slow on the start, Calden's long stride, iron discipline and magnificent heart power him to victory after victory. Wisconsin Valley opponents have gotten used to seeing him accelerate into the home stretch and pulling away to the finish line. Calden's teammates know him as a kind and gentle young man, one who is always quick with a compliment or word of encouragement. A champion and gentleman will always be the way I remember Boy's Track and Field's Most Valuable Player: Calden Wojt.

**Most Improved Player: Paul Fisher**

One of the greatest satisfaction of being a coach is when you see an athlete finally figure out who they are as a competitor. This year, Paul Fischer showed us that. With ever increasing fervor, he began to race, to truly compete at the varsity level in one of the most demanding of races, the 800 m Run. Relieved of his childhood fear of fatigue, Paul began to run with reckless abandon, pushing himself and those around him to ever increasing levels of achievement. Only a sophomore, Paul is now intent on working his way into the elite level of distance runner. His time of 2 minutes 11 seconds in the 800 m Run was good for a 7<sup>th</sup> place finish at the conference meet and is just the beginning of what this young man can do on the track.

**Tiger Award: Andrew Gilkerson**

Andrew Gilkerson is a young man of many talent. An outstanding football player, swimmer and thrower, his athletic prowess is overshadowed by his numerous academic achievements. Andrew is a tremendous leader, a ferocious competitor and the consummate sportsman. He leads by example in things both large and small. In the weight room, on the practice field, in season or off season Andrew demands the best from himself and his teammates. The Tiger Award is reserved for the athlete who best exemplifies the Tiger spirit. Andrew Gilkerson personifies that Spirit in thought, word and deed.

**Season Summary:**

The 2016 Boys Track and Field marks my first as the Varsity Head Coach. After many years as the Middle School Head Coach and several year as assistant coach under Coach Goettl I was excited to assume the leadership of the program. Though our juniors and seniors were few in number, they provided solid leadership for the many younger athletes in the program. From the start of the season it was clear that Calden Wojt had developed into the dominant 200 and 400 m sprinter in the area and later in the season he began to excel in the 100 m dash as well. Calden will compete in all 3 events at the State Track and Field meet in La Crosse. As the season progressed the 4 x 800 m team of Paul Fischer, Jordan Dzikowich, Carter Chocknacki and Jared Oemig surprised us all by dropping an incredible 16 seconds off their previous best to win All-Conference 3<sup>rd</sup> Place. The Coaching staff and I were pleased with the team's attitude and hard work. Although we were 5<sup>th</sup> in Conference this year, we feel a foundation has been laid for future success.

### **Season Summary:**

Tiger Invite – 1st  
UWSP Invite – 20th  
WVC Indoor -- 6<sup>th</sup>  
WVC Relays – 5<sup>th</sup>  
WVC Outdoor – 5th  
Wisconsin Dells Invite- 3rd  
Regional – 5th  
Sectional – 10<sup>th</sup>

## **Girls Track**

### **2016 Season**

**Coach: Dan Akin & Allie Luedtke**

#### **Most Valuable Player: Alexa Aumann**

Alexa came to winter training a transformed athlete. She had the desire to perform at her best from day 1 of track and field season. Alexa proved herself as a force to be reckoned with by reaching all-conference honors indoors in the 400 Meters and the 4x400 Relay. Outdoor season brought with it a desire to tackle the 800 Meters. Alexa ran herself to all conference honors again in all 3 events (400/800/1600Relay). She wanted the tough double of 400/800 and received All-Conference Honors and qualified for Sectionals at both the WVC meet along with the WIAA Regional meet. She also managed to set personal records in both events.... UNBELIEVABLE. Alexa is our lead off for our 4x400 relay and her team loves to see her coming down the straightaway with the lead. Her dedication to the sport of Track and Field shows in season and out of season. She gave her team 100% every time she stepped on the track and we are excited and looking forward to her senior year.

#### **Most Improved Player: Courtney Brown**

What a privilege it has been to coach this athlete for four years. Courtney has done everything we have asked of her. She always reacts with her signature SMILE, showing us she is willing to put her best effort out there and ALWAYS puts her TEAM first. Over the course of her four years, Courtney has been in every possible indoor relay and ran every distance from the 1600M to the 100M outdoors (typically in relays). Her versatility and pure ambition is unmatched. Courtney is in our record books holding spots on our ELITE TOP 5 in 4 events and she is a four time Sectional Qualifier; a rarity on the T&F team. She has always been our 'go-to' girl in relays and this year we gave her an opportunity to shine in the 400M and man did she shine, running our 3<sup>rd</sup> fastest time in the past 25 years. Courtney's 4x400 team wouldn't have her anywhere else but anchor; she always brings it home in the end! Courtney you are irreplaceable. Your spirit and smile will be missed just as much as your talent. Thank you for your commitment these past four years. Best wishes for the years ahead.

#### **Tiger Award: Mariah Goeppinger**

Mariah has started every year the same. She comes ready with personal goals and a passion for the sport. As coaches we love those races where our athletes show their pure focus and determination to win the race, improve their mark, and fight for position for their team. Mariah gives all that and more when she steps onto the track and/or runway. Her courageous running style shined indoors when she was given the opportunity to run on our 4x400 team her first time. There was no backing down on her part. Typically a short sprinter Mariah tackled the 400 with so much determination she locked her place on our 'sacred' relay. She became our team's relay athlete, competing 4x200, 4x100, and 4x400 teams throughout the outdoor season. When we think her legs have gave their all, she proves mind over matter every time. Her attitude and communication with coaches and teammates is always positive and honest. She is 100% committed to the team and season and we couldn't ask our athletes for more than that! Thank you Mariah.
